MASSTUNING TRACKFEST

Thank you for registering for MassTuning TrackFest. This is not a race but an educational, high performance driving event. We simply have a focus on safety and fun in a controlled environment. For this reason, all vehicles must be maintained and meet the following guidelines.

Making sure your car is track ready is your responsibility. Please seek assistance if necessary.

PLEASE READ AND SIGN ENTIRELY!

Year: _____ Make: _____ Model: _____ Color: _____

_____ All loose items must be removed from the trunk and interior

_____ Seat belts or appropriate aftermarket harnesses must be secured correctly

_____ Battery must be securely tied down with correct hardware

_____ Brake pads, fluid and lights must be fully operational and track ready

_____ Tires must be in good condition and inflated to proper air pressures

_____ Lug nuts must all be present and have proper thread engagement

_____ Steering and suspension components must not exhibit play

_____ Fluids must be filled to minimum levels and not cause any dripping leaks

_____ Snell certified helmet, closed toe shoes and valid driver's license

_____ Convertibles must have adequate rollover protection

I, **(*PRINT CLEARLY*)** _____, agree that my car is in good mechanical condition and take full responsibility for the vehicle being driven on a closed road course.

I understand these are minimum safety standards for driving on a racetrack and that additional insurance can be purchased through motorsport providers such as Hagerty, Lockton, OnTrack and OpenTrack.

MassTuning does not accept any liability for the results of misconduct – everyone is personally responsible for any damages following their own judgment and waives all rights to lay claim resulting from any cause whatsoever either before, during or after this event.
