

## Best Car Show in Arizona! Concours in the Hills 2022 February 12th

**Saturday, Feb 12<sup>th</sup>.** We will drive down to Fountain Hills for their annual Concours in the Hills at Fountain Park. This is a great car show, in 2020 there were 1051 cars on display! For more details on the event see <https://www.concoursinthehills.org/>

There is no fee, however, please register so that we know to expect you:

<https://www.motorsportreg.com/events/drive-to-concours-in-hills-northern-arizona-pca-mountain-855714>

We will meet at the Maverik gas station at Highway 69 and Fain Road in Dewey at 8:00 AM for the drivers meeting and a departure at 8:30 am sharp.

This year, we will travel via Hwy 260 and Hwy 87, weather permitting. The drive time will be around 2:30, coming in the back way into Fountain Hills to avoid the Phoenix traffic. There will be a brief break stop at the Speedway station along Hwy 87 on the South side of Payson.

Weather Alternate: If weather is poor on the Rim, we will provide alternate route information the day before the drive.

If you are coming from other areas, meet on I-17, Hwy 260 Exit, at the Burger King parking lot for a drivers' briefing. Please be there at 9:00 AM.

Parking is tough for this event so there will be no designated arrival point there. However, let's try to gather at the Veteran's Memorial on the south side of the lake around 11am to wander as a group or you are free to wander around on your own to view the cars and talk with their owners.

There are many places for lunch at Fountain Park, including great food trucks, so we won't have an organized lunch gathering.

There will be no organized drive back, so you are free to choose your own route.
