

Annapolis and Anne Arundel County Scholarship Trust

OUR VISION

The Annapolis Trust transforms the mindsets of low-income students in envisioning their future. The Annapolis Trust helps these students graduate high school to gain the necessary skills to launch meaningful lives with financial stability.

Most Recent Initiative

In March 2023, the Annapolis Trust launched the **Trust Center for Academic & Social Leadership (Trust Center)**. It is an after school program for 170 youth, ages 6-18 in a low-income housing community in Annapolis. The Center is a place for these students to go daily for tutoring, homework assistance, mentorship, coaching and counselling.

During its first year of operation, the Trust Center has experienced remarkable success. Here's 2 examples of its impact:

- 71% decline in neighborhood violence as the participants learn valuable skills to address conflictual interactions.
- 73% reduction in behavioral issues as students learn and gain the necessary socialization with their peers while receiving valuable guidance and mentorship on social interactions.
