

Waterford Hills Special Event Race Form

Name: Spec Miata Invitational

Date: Sunday May 24th, 2026 (SCCA Race – WHRRI Weekend #2)

Overview: Showcase weekend for Spec Miata (SM). Waterford Hills is making a concerted effort to invite Spec Miata racers outside of the Detroit Region. Sponsors may be at the event with displays and giveaways. A special feature race will be held Sunday after all other races as capstone for the invitation. This race will not be eligible for points or track records. An additional fee is required to participate in the race.

Cost: \$50

Schedule:

- **Spec Miata (Sunday)** A SM race will be run at the end of the day, after all other groups have raced. Spec Miata is currently running group 5, so in essence there will be a one group “rest”, as this special race is taking place during what would be group 7.

The following are approved **rules and special provisions** for competitors in this event:

- The respective cars will be given the opportunity to participate in a special feature 15 lap race at the end of the day on Sunday for Spec Miata
- The special race grid position will be determined by the racers best time from the Saturday or Sunday Race.
- Mark/Class Specific Rules:
 - **Spec Miata:** Cars eligible for SM and other classes are permitted per the SCCA GCR/WHRRI Rules are permitted (i.e. ITA, ITS, STL) If a competitor runs both SM and one of these other classes, the times from the SM sessions will be used for grid position. If a competitor only runs these other classes they must run in SM trim. Otherwise, their time is not eligible for grid position and will start at the back of the pack. Checks will be made in tech to assure SM-trim compliance.
- Registration preference for the race will be given to “out-of-town” entrants. Club does not make a guarantee that all those who would like to participate in the race will be able to do so. Total available spots: 32.
- Race will NOT count for WHRRI points or track record
- Top 3 cars will be weighed and standard compliance checks made at tech
- The race winner will be awarded a trophy after the race
 - Spec Miata – one winner
