SCCA Welcoming Environment Statement

The mission of the SCCA is to fuel a safe, fun and exciting motorsports experience for automotive enthusiasts. The Club's Vision is to be the preferred motorsports community in the United States, built on fun, shared passion and access to an exhilarating motorsports experience. In all its activities, the SCCA seeks to foster an atmosphere that encourages living the Values of the SCCA, which include:

Excellence: The Spirit of a Competitor
Service: The Heart of a Volunteer
Passion: The Attitude of an Enthusiast

Team: The Art of Working Together
Experience: The Act of Wowing our Community
Stewardship: The Mindset of an Owner

The SCCA strives to ensure ALL participants at its events and activities enjoy a welcoming environment. The SCCA supports equality of opportunity and treatment for all participants and will make every effort to maintain an environment that is free of harassment, discrimination and any behavior that interferes with a safe, fun and exciting experience. A commitment to a welcoming environment and the SCCA Values is expected of all members and attendees; including drivers, workers, crew, guests, staff, contractors and exhibitors, and other participants at SCCA activities, sessions and social events when representing the SCCA in print or electronic media.

COVID-19 Statement: ALL those attending this event and entering the facility will be required to use caution regarding the spread of this virus, use personal protective equipment and maintain social distancing as required by State and local government regulations and those of Sebring International Raceway and of the SCCA or CFR-SCCA in effect at the time of this event. As the status of the pandemic evolves, all participants entered will be notified via email, written drivers meeting or official social media posts regarding the change in requirements and what the expectations of all participants will be. All in attendance are reminded to be respectful of others and follow these regulations. Personal Protective Equipment - Sebring International Raceway (SIR) may require all attendees to wear face covering sufficient to cover their nose and mouth and adhere to social distancing guidelines while on

SIR property. Attendees not adhering to whatever requirements may be imposed, will be given one warning to comply. On behalf of SIR, Central Florida Region will require non-compliant individuals to leave the facility. This action is not protestable. If you are diagnosed with COVID-19 within two weeks of this event, we ask that you notify the Event Chair immediately.

Every attempt will be made to minimize the risks of exposure to COVID-19. New processes and procedures may be implemented for this event.

Ultimately, it is your responsibility to assess the risk to you, both on-track and off, and to make the decision on whether or not to participate. If you are feeling unwell or are experiencing symptoms such as fever, cough, or shortness of breath please stay home. If you have been in contact with someone who has been experiencing these symptoms in the last two weeks, please stay home.

While on site please take the health and safety of your fellow participants, volunteers and staff into consideration and practice social distancing, wear a mask that covers your nose and mouth, and wash your hands and/or use hand sanitizer frequently

I. REGISTRATION & FEES

- A. TEST DAY: Thursday, January 14, 2021** - Sebring International Raceway open test day. This test day is provided by SIR and not covered under event sanction. Please contact Jimmy Anzueto (janzueto@sebringraceway.com) or call (863) 655-7710 for information..

REGISTRATION: Drivers can register for the race online at www.motorsportreg.com. **ALL DRIVERS MUST PRE-REGISTER THERE WILL BE NO LATE ENTRIES OR CHANGES MADE AT THE TRACK!** Drivers without internet access must complete a paper entry form and mail with entry fees to the Registrar **Sharon Priep, 2824 Salisbury Blvd, Winter Park, FL 32789**. Make checks payable to Central Florida Region, SCCA. A bank service fee will be charged for any check returned by the bank. A full refund will be made if the entry is withdrawn prior to Tech or prior to turning a wheel on course, or if a no show. If you check in at on-site registration and do not go to, or pass Tech, you must notify the Chief of Registration, **BEFORE YOU LEAVE THE TRACK**, in order to receive a full refund. Requests for refunds made after the event is over will be made in the form of a credit, valid toward a future CFR event, in the amount of the applicable entry fee, less \$135. Do not mail entries/checks by any method that requires a signature upon delivery.

- B. U.S Majors Tour Registration** will be held in the CFR Bill Martin Center located to the right of the main entrance to the raceway. Upon initial arrival, enter Raceway property via Gate 4 off of Carroll Shelby Road and park on the skid pad behind the Bill Martin Center. US Majors Tech is available for those cardholders who have a valid annual Tech, 2021 Helmet Sticker, and no notations in their logbooks, and is located directly behind Registration Thursday night. If eligible, you will only need to bring your logbook to Express Tech to receive your event "tech" sticker. However, if your car needs a yearly tech, please go to the Tech scales at the east end of the paddock, after you register. If this is your first event of 2021, you must bring all of your gear to tech. **Unless you are participating in the Sebring sponsored track test day, entry to the track is not allowed until after you attend SCCA registration beginning Thursday, at 4 pm. All individuals wishing to enter the raceway must arrive at registration during the open hours of registration as described on the schedule. The Gate guards will NOT sign attendees in.**
- C. ENTRY FEE PAYMENT:** Drivers who complete their registration online, via the motorsportreg.com website, will be required to enter credit card information. Cards will not be charged until after the event, Drivers wishing to pay by check/money order, must mail their payment to the registrar within (5) days of completing online registration, however it must be received by the registrar prior to the close of online registration. Cash and Checks will not be accepted at the track. Additional compliance fees per entry for the weekend of \$20 each for SM, and \$30 each for SRF3, FE2 entries will be charged and the Runoffs Appearance fee will be assessed to entries in all classes except PX and GTX. **Free Entry Giveaway: A free entry will be awarded to one driver registering for the event a minimum of 14 days prior to the race weekend. Driver name will be drawn at the event party, or other designated time.**
- D. PASSES:** Each entry is limited to seven (7) passes, including the Driver and the Entrant. **Drivers, Entrants, Workers, guests, & crew must sign for their own passes and must arrive while registration is open.** Spectators will not be admitted to this event, all attendees must be on a driver's crew. Workers may bring one guest. Worker license and membership card must be presented at registration. Guests and other non-members are not allowed in hot areas.

- E. **COMPETITION NUMBERS:** For entries received by the registrar through noon on January 1, 2021, Conference numbers that were reserved with National Office prior to the opening of online registration for this event will receive priority assignment with secondary preference given to 2020 SEDiv reserved number holders. Due to the combination of classes within the run groups this may not be possible in all cases. For drivers with the same preferred number within a run group, the number will be assigned to the driver with the earliest request. At noon on January 1, 2021, all unused reserved numbers will be released.

II. **DRIVER INFORMATION**

- A. **DRIVER ELIGIBILITY:** Drivers must be a member of the SCCA and have a current SCCA Full Competition license or SCCA Pro license to participate in this event. If you do not have the proper credentials it is your responsibility to contact the Registrar prior to the event.
- B. **CAR ELIGIBILITY:** Competition is open to all cars conforming to the GCR, as amended.
- C. **TIMING & SCORING:** All cars are required to use fully operational **MyLaps/AMB** TranX260 or X2 transponders. **The driver is responsible for providing correct information to Timing and Scoring. Make sure your transponder is on and functioning for all sessions; all new transponders must be activated at least a week before the event, or they will not work. Cars without working transponders will not receive times.** Efforts will be made to broadcast sector times during all sessions. These times are not official and will not be used or accepted in any way by Race Officials.
- D. **DECALS:** A Hoosier SCCA Super Tour decal and a US Majors Tour decal must be displayed on both sides of all competition vehicles. Competition vehicles must also display the official **Summit SCCA Road Racing** decal per GCR section 9.3.28.C. Stickers will be provided free of charge and may be obtained at registration and/or tech. (The official SCCA Summit Racing Equipment decal does not serve as the Summit Racing Equipment contingency program decal.)
- E. **INSURANCE:** Participant insurance will be provided in at least the minimum amounts required by the SCCA.
- F. **TECH:** **All drivers entering this event as the first race of 2021**, must present all driver gear as required by the GCR, vehicle logbook, and completed tech card to TECH. If your car requires an annual tech you must bring your gear and car to the Tech scales **area at the east end of the paddock after you register.**
- G. **SCALES:** Will be available at Tech inside track Friday 10:00 am – 4:00 pm; Saturday 8:00 am to 10:00 am and Sunday 8:00 am – 9:00 am. Scales will not be available for other participants during impound. Scales may be made available at other times at the discretion of the Chief of Tech.
- H. **DRIVERS MEETING:** **A Drivers Meeting letter is attached at the end of these Supplemental Regulations, please read it.** Updates will be communicated by MSR via email and/or text. A brief **Impound All** will be given at the end of each of the Qualifying sessions on Friday if permitted under track regulations to discuss split starts and other driver concerns. **Impound will be in the Tech Area. Look for the signs for proper direction.**
- I. **SPLIT STARTS:** If impound all following qualifying sessions cannot be held due to track regulations, the Race Director and Chief Steward will be available at impound near tech, or can easily be located by event personnel, for any driver wishing to discuss split starts.
- J. **HARDSHIP LAPS:** Schedule permitting, hardship laps will be allowed at the end of each qualifying session and race with the permission of the Stewards of the Course (Black Flag), located at Pit Central on pit lane. Hardship lap cars should enter pit lane at Pit In and will be released by Pit Out. No more than one hardship lap per car, defined as out and in, per day is permitted. A limited number of cars will be allowed for each hardship session.
- K. **COURSE:** Sebring International Raceway is a 3.7- mile road course. Pit and Paddock will be located on the 12-hour side. **There is a safety light located at Turn 17, and one at the Turn 17 bridge. Two lights will be located at Turn 1; one on driver's left, and one at the flag station directly ahead on the front straight. Drivers failing to negotiate Turn 15 must slow before entering Turn 16 as to not gain advantage; may incur a penalty from the Operating Steward.** Absolutely no unauthorized access to the course after hours will be permitted.

- L. START/FINISH:** The race will begin and end at the timing loop in front of Timing and Scoring. This loop is marked by the start of the Sebring Checker pattern on the track.
- M. LAST LAP INDICATOR:** Whenever possible a waved White flag will be displayed at start/finish to indicate the last lap has begun. When the LAST LAP INDICATOR is given at Start/Finish the next flag will be a checkered flag.
- N. BLACK FLAG STATIONS:** Located at Start/Finish and Turn 10.
- O. DATA ACQUISITION:** Hoosier SCCA Super Tour staff and their delegates may install data acquisition equipment in a competitor's car. This program is to assist the CRB in performance balancing. If selected, participation is not optional and not protestable. The data collected will not be used for compliance purposes. All cars carrying an SCCA data collection device shall report to impound after their session. Failure to do so may result in penalties.
- P. AWARDS:** Trophies for all races will be awarded in accordance with the GCR. Trophies will be presented at the event. SCCA U.S. Major's Tour and Hoosier SCCA Super Tour points will be awarded in accordance with the GCR and these Supplemental Regulations.
- Q. VICTORY LAPS:** Winners of all races will receive a checkered flag. However, for Sunday races only, following the cool down lap, the winner of each class should proceed immediately to pit central where they will receive a checkered flag and proceed on course for a single Victory Lap. Drivers need not wear their helmet or gloves during the victory lap, passengers are permitted in accordance with GCR 6.11.7. Drivers shall maintain a safe speed and be wary of safety vehicles that may be on course

III. QUALIFYING

- A. GRID:** Starting positions for the Friday practice sessions will be set using each driver's post mark/timestamp of their Entry form. Do not go to Grid until your group is called, your spot will be waiting. Failure to follow directions of Grid staff may result in official action. Practice time will start when cars enter the course; for the first lap of each practice session, white flags will be displayed at all stations. Starting positions for the first Qualifying sessions will be determined by the fastest time recorded for each car during the preceding practice sessions. Starting positions for the second Qualifying sessions will be determined by the fastest time recorded for each car during the preceding Qualifying sessions. Starting positions for the Saturday race will be determined by the fastest time recorded for each car during the preceding qualifying sessions. Starting positions for the Sunday race will be determined by the fastest time recorded for each car during each of the preceding qualifying sessions and the Saturday race. Cars arriving at the grid after their group has been dispatched on track may, at the discretion of the Operating Steward, be held at pit out and released at the end of the pack after the field has completed the pace lap. **Grid is located at Turn 17; for races, cars will be split immediately upon entering the course from the false grid – Be Alert!**
- B. QUALIFYING:** A driver not qualifying within a maximum of 115% of the recognized lap record of their class **must receive permission from the Race Director in order to race.** In the event of unusual circumstances, the Race Director may waive this rule for the entire event.

See Chart below, listing 115% of each class course record.

- C. RACE:** A driver who is unable to maintain a safe pace during a race may be black flagged.

IV. **IMPOUND**

- A. IMPOUND: Saturday races:** The top three competitors in each class shall report to impound immediately following the completion of their race. Trophy presentation and photos will occur in the Victory Circle area following the race.
Sunday Races: Impound All may be given following completion of the Sunday race for full podium ceremonies with awards and sparkling wine at Victory Circle. **Hoosier SCCA Super Tour** door prizes may be awarded at the conclusion of each groups podium ceremonies; you must be present to win. Drivers are limited to two crew members per car in the impound area. Crew members must wear facial covering and remain socially distanced from others.
- B. IMPOUND Technical Inspection:** Some cars in impound may be selected for inspections that involve disassembly by competitors. This could include manifolds, induction systems, cylinder and/or other components in the drivetrain, powertrain, suspension. Parts may be removed and examined for porting and polishing, compression ratio, bore, stroke, and displacement or other measurements. At the discretion of the Race Director, additional inspection may be required. The Race Director may, at any time during the event, require all or some cars in each class to be impounded for inspection. The competitor shall be physically and financially responsible for performing any required disassembly/reassembly. The Series Chief Technical Inspector will report any finding of non-compliance to the Race Director who will then determine the need for a Chief Steward's Action (CSA), or a Request for Action (RFA).
- C. SPEC MIATA COMPLIANCE:** At post-race inspection, Spec Miata participants may be instructed by the designated Class Compliance Chief (CCC) to remove parts, including but not limited to the cylinder head, for disassembly and/or inspection. Competitors are responsible for performing required disassembly and/or reassembly of their car, as well as any resulting expenses incurred. The CCC will report any findings of non-compliance to the Race Director, who will then determine the need for a Chief Steward's Action (CSA) or Request for Action (RFA).
- D. CONTACT:** GCR 6.11.1.E now requires drivers involved in significant body contact to stop for review of the incident by stewards. The drivers and cars involved must either stop at the Black Flag (Stewards of the Course) station at Pit Central for review of the incident by the stewards before entering the Paddock, or report to the Race Director or Chief Steward in Impound within 30 minutes after the session. Drivers who do not satisfy this requirement will be referred to the Stewards of the Meeting (SOM).
- E. RADIO FREQUENCIES:** Central Florida Region communications is now a digital network. **Race control is rebroadcast on analog 464.0125 or 469.0125 for scanners.**
- F. SOUND CONTROL:** Sebring International Raceway has a waiver for sound. Sound readings may be taken for informational purposes, based on available staffing at the direction of the Sound Control Chief. Sound readings, if taken, will be posted at the base of the T&Stower.
- G. PIT LANE:** The 12 Hour or front straight pit lane will be used exclusively for this event. Pit lane speed shall not exceed 40 mph with **absolutely** no racing. Violators may be penalized.
- H. PACE/SAFETY CAR:** In addition to GCR 6.6.2., the field shall follow the PACE / SAFETY CAR as long as its emergency lights are flashing, even if it varies from the normal race course. In the event a full course yellow results in dispatch of the safety car, the safety car will enter the racing surface at pit out.
- I. DISABLED CARS:** Disabled or damaged cars may be removed from the course and delivered to a central location. If the car has sustained body/chassis damage it will be released to the driver/crew after tech has made appropriate notations in the vehicle log book. Cars disabled due to a mechanical failure will be released to the driver/crew immediately. If the car requires wrecker support to return to its paddock location, there may be a delay depending on the availability of wreckers or flat tows.
- J. RESULTS:** Live timing may be available during the event; live timing is neither official or protestable. Unless otherwise announced, live timing may be available on the SCCA.com event page, or via the Race Monitor App available for iPhone and Android phones. Qualifying, provisional and final results will be posted at the base of the Timing and Scoring Tower. Location for Drivers to obtain a copy of the results will be announced. Additionally; final results will be posted to the CFR (www.cfrscca.org) and SCCA websites no later than 7 days following the completion of the event. It is the responsibility of the driver to inspect the results of his/her race as soon as they are posted. Any discrepancies should be addressed per the GCR rules within the allowed timeframe.

V. GENERAL

- A. RACE SESSIONS:** The clock will start with the green flag, or a wave-off (A wave off will count as a lap). The clock will continue to run during all flag conditions with the exception of the red flag.
- B. RACE LENGTH AND POINTS:** Saturday races #1 will be **25-minute** races, Sunday races #2 will be **14 laps or 35 minutes**, whichever occurs first. Both races will be awarded full points per Hoosier SCCA Super Tour rules, to the top 20 finishers. In the case of a delay and where the time limit has expired, the Race Director may convert to laps to allow a green, white checker to complete the race.
- C. CANCELLATION:** If part of the event is cancelled for reasons of safety or forces beyond our control as provided by GCR Appendix B 1.2.A, points will be awarded based on race grids.
- D. CLOTHING:** Closed toe shoes are required on the grid and over the wall on pit lane. Crew members on pit lane must display their event credentials at all times while on pit lane.
- E. EVENT SCHEDULE/RUN GROUPS:** The event schedule or run groups may only be changed at the discretion of the Race Director, with concurrence by the Event Chair, depending on pre-race entry counts or as needed to accommodate situations that may be encountered during the event. If changes are made prior to the start of the event, as much notice as possible will be given to all affected competitors. The schedule as published is for planning purposes only; actual session start times may deviate from the published schedule based on actual event progression. Listen to the PA system and pay attention to what is happening on track. Schedule times are cars on course.
- F. SOCIAL EVENT:** Depending on current regulations in force at the time of this event, with regard to COVID-19, there may be a worker/competitor party in the Legends building at the conclusion of activities on Saturday only.
- G. PADDOCK:** Parking regulations are hereby incorporated in these regulations by reference. The speed limit in the paddock is 15 mph, unless posted otherwise. **Do not park parallel to major infield roads. CFR reserves the right to refuse, or revoke, the entry of any driver and/or entrant who refuses to follow direction of CFR Race officials regarding parking regulations and paddock parking and may result in expulsion from the facilities.** Paddock on the midway is prohibited. All paddock parking must be within the confines of the 12 hour paddock.
- H. PROVISIONS:** Camping is allowed in the paddock on Thursday, Friday and Saturday nights. Water and electricity are available in limited areas of the paddock. Do not park in spaces where electricity is provided if you do not intend to connect. Fuel will be available at the track
- I. FUEL:** The VP Fuel Farm is located inside the paddock next to the Turn 17A bridge.
- J. GARAGES:** Sebring International Raceway does not have garages.
- K. TIRE VENDORS:**
- For **Goodyear** contact SascoSports, at (434)822-7200;

Hoosier Racing Tire SCCA Super Tour

Winter Vacation Hoosier Super Tour

Central Florida Region

January 15-17, 2021

Greetings Drivers,

Welcome to Super Tour 2021! We had a fantastic Super Tour event last year at Sebring. Drivers and workers put on well-run, safe, and enjoyable event. Most of us would do well to duplicate it. ☺ Little did we know that the COVID-19 pandemic would throw a torque wrench in the Super Tour – East events for the remainder of the year!

- Big news this year is the WEC pit lane along the back straight **WILL NOT BE USED**. **The 12 Hour or front straight pit lane will be used exclusively for this event.**
- Also new for those of you who haven't been to a Sebring event since August 2020, upon your initial arrival to registration, **DO NOT** enter the facility via Gate 3, you **enter using Gate 4 off of Carroll Shelby Road**. You will be directed to park on the skid pad which is located directly behind the CFR Bill Martin Center (BMC). Walk through the gate to the BMC, register and attend express tech, and return to your vehicle to proceed into the paddock. This applies to all attendees, but only on their initial check in with registration. When returning at various times throughout the weekend, proceed directly to Gate 1.
- A physical drivers meeting will likely not be held due to track regulations regarding social distancing. Please pay attention to announcements and review the Supplemental Regulations.
- If you feel your group would benefit from a split start, please see the Race Director as soon as possible following your respective Qualifying session Saturday morning. It would be helpful to have a representative of each class in the group present for the discussion, so the views of each class are expressed.
- **The 115% rule will be enforced.** If you find your lap times are above the 115% time noted in the Supps, it is on you to visit with the Race Director to get permission to race. If you do not turn a wheel on track before either of your races, you must get permission to race.
- If you need a hardship lap, please see the Stewards of the Course (SOC, Black Flag) at Pit Central on the pit lane. They will confirm with the tower when you should take your hardship lap. Do not go to grid to ask for a hardship lap. They will only refer you to SOC.
- Our goal this weekend is green flag laps. There are things you can do to help. Please take a practice lap to notice where your outs are in case you become disabled over the course of the weekend. Sebring includes tons of good outs around the circuit, many of them are driver's right and almost always marked by orange paint or orange cones. There are even breaks in the wall on the back straight that are marked by cones. Using them might allow a session to continue. Use the practice day, or if you do not attend the practice day, the first lap of your qualifying session, to familiarize yourself with the location of your outs as well as the flag stations. The more we can work together to avoid black flag situations or FCY, the more you get to enjoy green flag racing!
- Yellow flag response and slowing significantly is appreciated by the corner workers, stewards, and your fellow competitors. **Acknowledging the flag with a wave goes a long way to satisfying the corners that your head is in the game and you know what's going on.**
- During races, a safety car will be dispatched for all full course caution situations. Clean ups under FCY can be shortened by as much as two laps if our race leader assumes the role of safety car and backs it down to pace lap speed. It is then up to the field to safely catch up as soon as possible being especially mindful of the incident zone to facilitate a short clean up and return to green flag conditions. An efficient,

under control pack can aid with a quick clean up and return to racing. If you have a mechanical failure, please safely pull off track as soon as possible. The past few years saw some race groups do absolutely amazing jobs of getting themselves under control and facilitating cleanups.

- Super Tour enjoys a great on-track culture of hard driving with respect. Still, contact occurs. All of us have been in situations where contact is unavoidable, and the occasional contact as part of spirited competition is anticipated. If you have significant contact, the rules put it on you to report to the Stewards of the Course. I think you know that's not the end of the world, it's most likely a brief conversation. SOC or the Race Director will likely use a white board for each group. The consequence of not reporting to SOC will result in a visit with the Stewards of the Meeting. The Race Director, Chief Steward, or SOC will not come find you in the paddock if you do not report. We acknowledge that some stuff happens out there that doesn't bother you, and we don't make it our job to let bother us. We do follow up on all of it though, because sometimes it does bother you and that's when we need to know about it. Please help us expedite our post-race work by checking in about contact, even if it's to say that you don't have an issue. It saves us lot of time and we appreciate it!
- As in past years, penalties for obvious passing or failing to slow significantly under yellow, and for one-sided contact, will be served at the Stewards of the Course (Black Flag) Station. If you get one of these, there were two witnesses and it seemed clear cut to them. Usually, you'll agree. If you feel it's in error, don't argue with the messenger. Just come see us in Impound. We are happy to look at your video or other evidence and tear it up if appropriate. This way tends to be faster for most concerned.
- Sometimes events on track are not observed by corner workers and the drivers are the only ones who are aware of incidents. If you are involved in an incident where you contemplate filing a protest, please see the Race Director. Sometimes, a brief conversation can clear up an issue, or provide you with guidance about next steps.

As always, if there is anything, we can do to enhance your weekend, please let us know.

Please thank the workers!
