Podiums for all Classes Following Tech

All Races will follow HCKCs Classic Clockwise Layout

Classes may be combined based on number of entries. This schedule is subject to change.

Kona Ice will be trackside Saturday from 12:30-4pm accepting cash, cards, apple pay and venmo.

Nano's BBQ will be trackside Saturday for lunch & dinner

Neck Braces and proper safety gear required at all times, No driving in the pits doing so will result in DQ for the event.

Pit spots will be open and non-reserved, overflow parking will be available to the south of the track. All tow vehicles should be unhooked and parked outside the gate. We will do our best to guide out of town racers to open pits AND allow for everyone to grab their normal pit spots; however, tradition was for us to allow open pits for larger events like this. If you plan to attend from out of town, please contact us in advance so we can find open pit spots for you in advance and mark them off.
