- C. Cancellations may be made through the Chief Registrar prior to the event. Cancellations made after payment processing shall incur a \$50 processing fee. Refund requests without prior notice must be made to the region treasurer teri.massey@comcast.net within 7 calendar days following the event.
- D. Refunds due to mechanical failure will be considered by the Chief Registrar for cars that have not been on the racing surface as verified by the Chief of T & S. Requests must be submitted to the Chief Registrar before the end of the event.
- E. Approved refunds will be issued via MotorsportReg.
- F. Registration check-in will be held in Registration/Hospitality, located in classroom building. All drivers, volunteers, and officials must check-in to complete registration and receive credentials, even if you have signed an annual SCCA waiver.
- G. Only members who hold a current SCCA membership may be credentialed for the hot areas. Weekend memberships can be purchased at Registration, during posted hours, for a fee of \$15.00.

DRIVER ELIGIBILITY: Each driver must be a current member of the SCCA. Majors driver must hold a current SCCA Full Competition license, full SCCA Pro Racing issued license, or (for 2020 only) a valid SCCA Novice Permit with school requirements completed, to participate in this event. If you do not have the proper credentials it is your responsibility to contact the Registrar prior to the event. Additional licenses accepted for the Regional portion of the event include an SCCA Vintage License, SCCA Novice Permit, or any organization's license that is currently approved by SCCA for competition as listed in the GCR, Appendix C, 2.8.B (pages 109 & 110). [Download GCR](#). Proper credentials must be presented at check-in.

- A. Novice Permit Holders must display, in a contrasting color, a minimum 5-inch tall "X", next to the car number on each side and on the rear of the car.

CAR ELIGIBILITY: This competition is open to all cars conforming to the GCR, as amended.

- A. The Majors portion of the event is open to all Runoffs-eligible classes plus GTX and PX.

- B. Regional and Spec Classes specific to the Rocky Mountain Division are included as follows: Club Ford (CF), Club Formula Continental (CC), Formula Junior (FJ), ITE Everything (ITE-0, ITE-U), Spec RX-7 (S7), Spec 7 with fuel injected 13B (SP7), Spec 7 with 13B (Pro 7), Spec 944(S944), Spec E30 (SE30), Spec M3, Spec Formula F (SFF), and Super Production(SP). Rocky Mountain Division Championship rules and Class rules can be found at <http://www.coloradoscca.org/rulesforms.php>.

PREFERRED NUMBERS: Majors Conference Preferred Numbers will be honored until 14 days prior to the event. If two drivers holding the same Preferred Number request that number for the same run group, the number will be assigned to the driver with the earliest request. In all regional and/or vintage classes, preference will be given to numbers assigned through the Rocky Mountain Division numbering program. Unreserved numbers are on a first-come, first-served basis. All numbering assignments are subject to race group configurations.

TECH: Tech inspection hours are posted on the event schedule.

- A. Express Tech is available for drivers with both a current annual tech and a current year helmet sticker. Drivers should bring their vehicle logbook and registration credential to get their event stickers.
- B. Drivers without a current year helmet sticker must present all driver gear as required by the GCR, vehicle logbook, and registration credential to Tech. If your car requires an annual tech, you must also bring the car to tech. An event tech sticker will be issued after everything is examined and approved.
- C. The order of inspection at the track will be:
 1. Express Tech
 2. Re-inspection, logbook notation
 3. Annual inspection
 4. Cars with no logbook (new or lost logbooks)
- D. Competitors needing Annual inspections or New Logbooks must make prior arrangements with the Chief of Tech to have these items performed by tech personnel at the track.

SPEC MIATA COMPLIANCE: At post-race inspection, Spec Miata participants may be directed by the designated Class Compliance Chief (CCC) to remove parts, including but not limited to the cylinder head, for disassembly and/or inspection. Competitors are responsible for performing required disassembly and/or reassembly, as well as any resulting expenses incurred. The CCC will report any findings of non-compliance to the Race Director, who will then determine the need for a Chief Steward's Action (CSA) or Request for Action (RFA).

SCALES: Scales will be available each day from 8:00am until the end of competition, except during impound. Driving on or off the scales is prohibited unless otherwise instructed by Tech personnel. Motors must be turned off and competitors and/or crew must push cars on and off scales.

EVENT SCHEDULE / RUN GROUPS: The event schedule, configuration, or run groups may be changed at the discretion of the Race Director or chief steward, in cooperation with the Region's representative. If changes are made, as much notice as possible will be given to all competitors. Schedule times are provided for planning purposes and are approximate. The PA system may be difficult to hear in some areas of the paddock, so please monitor the PA system and pay attention to what is happening on track.

- A. Saturday Majors races are 12 laps or 20 minutes, Sunday Majors races are 18 laps or 35 minutes, whichever comes first. Regional Races will be timed.
- B. The official clock starts with cars on course, per the session start times indicated on the schedule.

TIMING AND SCORING: All cars are required to use fully operational AMB transponders, and the driver is responsible for providing correct information during registration. Unless otherwise announced, live timing will be available via the Race Monitor App available for iPhone and Android.

- A. Non-operational transponders or missing transponder information may not be scored for the event.
 - a. A limited number of transponders may be available for rent at the rate of \$80.00 for the weekend, along with a \$500 retainer on a valid credit card.
 - b. A competitor needing a rental unit should make those arrangements at the time of entry submission.
- B. The clock will continue to run during all flag conditions, with the exception of the red flag.
- C. Personal timing beacons are not allowed within 20 feet of the T & S system, or across track from start/finish.

GRID: Starting positions for the first race each day will be determined by the fastest time recorded for each car during the preceding qualifying session. Starting positions for the Sunday race will be determined by the fastest time recorded for each car during any of the preceding qualifying session(s) or the fastest lap during the Saturday race. Cars arriving at the grid after their group has been dispatched on track may, at the discretion of the Operating Steward, be held at pit out and released at the end of the pack after the field has completed the pace lap.

- A. Crew / Guests must leave the grid at the one-minute warning.
- B. Drivers are prohibited from scrubbing tires in the paddock, grid, pit out and hot pit lane. In addition, drivers are only permitted to scrub tires on the course, while under control of the pace car or if no pace car is being used, during a full course yellow status on the course.

SPLIT STARTS: The Race Director or chief steward will consider requests for split starts and may authorize such based on qualifying times.

IMPOUND: The top three competitors in each class shall report to impound immediately following the completion of their race. Trophy presentations and photos will occur in the Victory Circle area near impound following the race. All other competitors are strongly encouraged to attend the podium festivities following their race.

DESIGNATED INCIDENT INVESTIGATION SITE

- A. If a driver is involved in significant body contact, the driver and car shall stop at the designated incident investigation site for review of the incident by the stewards before going to their paddock area. Significant body contact includes, but is not limited to: Contact resulting in 2 or 4 wheels off course, spins, loss of position, or repairs to suspension or bodywork.
- B. The designated incident investigation site for High Plains Raceway is in tech.

RESULTS: Qualifying, provisional and final results will be posted at Registration / Hospitality. Additionally, final results will be posted to the Colorado Region and SCCA Majors websites no later than 7 days following the completion of the event.

AWARDS: Trophies for all races will be awarded in accordance with the GCR. Trophy presentations and photos will occur in the Victory Circle area near impound following the race. Majors points will be awarded for all races in accordance with the GCR.

FLAGGING:

- A. GCR 6.1.1 flag rules apply to all sessions
- B. BLACK FLAG station is at corner station 9
- C. For practice sessions, a CHECKERED FLAG signaling the end of the session may be displayed at BOTH Start/Finish AND Corner 9. Cars receiving the Checkered Flag at Corner 9 must proceed directly to the pit lane/paddock.
- D. Last lap will be indicated by a waving white flag at start/finish.
- E. HPR lights will be regarded as the equivalent of the respective flags. Lights and flags will be used at this event.

PACE / SAFETY CAR: There will be no pace car at this event.

DISABLED CARS: Disabled or damaged cars may be removed from the course and delivered to a central location. If the car has sustained body/chassis damage it will be taken to impound and will be released to the driver/crew after tech has made appropriate notations in the vehicle log book. Cars disabled due to a mechanical failure will be released to the driver/crew immediately. If the car requires wrecker support to return to its paddock location, there may be a delay depending on the availability of wreckers or flat tows.

SOUND CONTROL: A maximum limit of 103dB is in effect for this event. Sound control will be located on the back straight. Sound readings will be posted at Hospitality.

RADIO FREQUENCIES: The region frequencies below shall not be used for communications by any participant.

451.2875	451.3125	451.3375	451.3625	451.3875	461.5125

PADDOCK

- A. Access ways for general paddock traffic and Emergency Vehicles must be kept clear at all times or vehicles will be towed.
- B. You must have a valid motor vehicle license to operate any 2, 3, or 4-wheeled motorized or non-motorized vehicles in the paddock.
- C. Skateboards, skates, and rollerblades are prohibited.
- D. The paddock speed limit is 10 M.P.H. Vehicles in the paddock must be operated in a safe manner.
- E. Entrants are responsible for the conduct of their crew, guests, minors, and pets. All minors must be under direct adult supervision at all times. Pets in the paddock must be leashed and under direct supervision of an adult at all times.
- F. Minors and non-members must remain behind any barrier paralleling the Hot Pit lane. No one will be allowed to view from in front of the Race Control and Timing structure.
- G. Crew members and other hot pass holders are allowed across the hot pits at the track wall except during starts and restarts. Leaning over or on the track wall will not be allowed, except for quickly signaling information to a driver.

GENERAL: Participants must display proper credentials at all times.

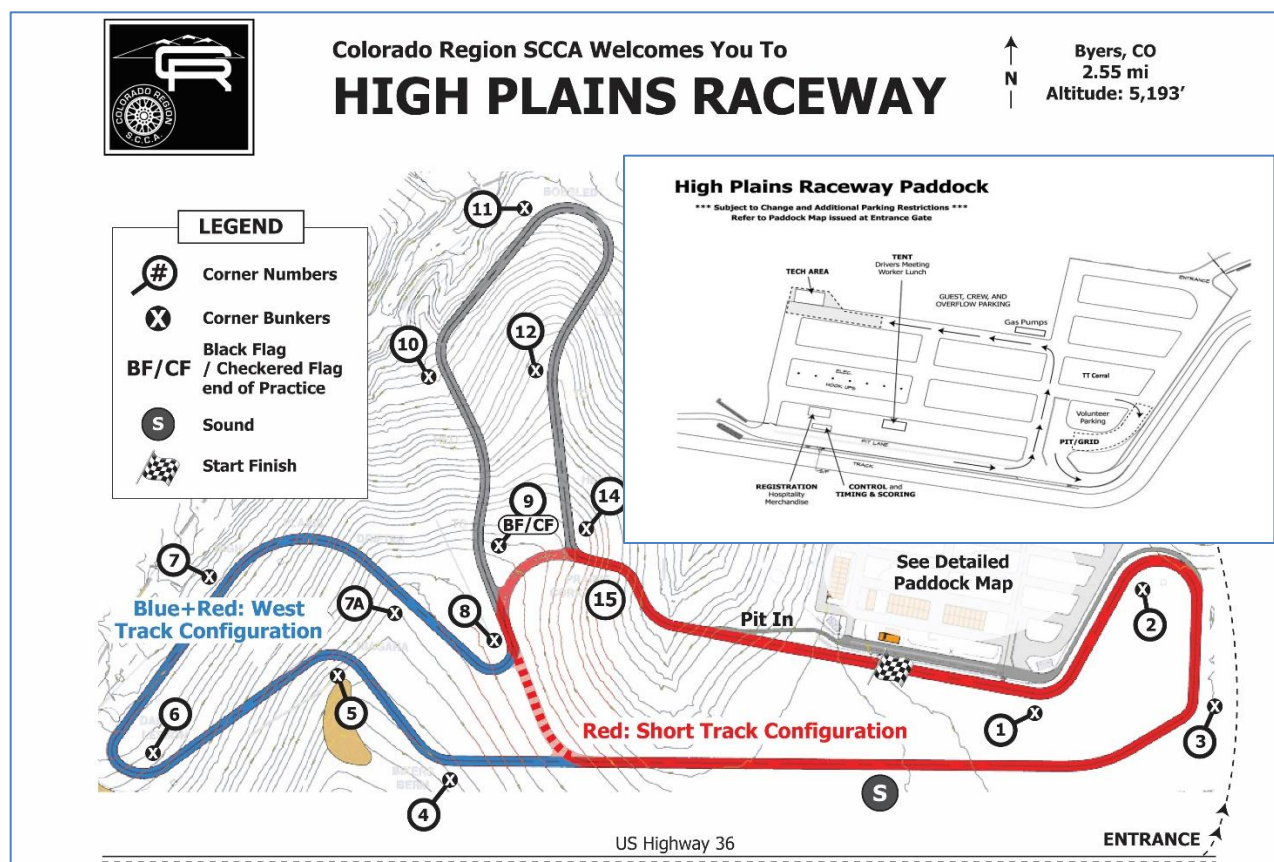

- A. The organizers reserve the right to postpone, abandon or cancel the event, or any part of the event. Entry fees will be refunded to those offered no opportunity to compete.
- B. Any test day or session not on the official schedule is NOT sanctioned by SCCA and is NOT covered by SCCA Insurance.
- C. Vendors wishing to display or sell any items must obtain prior approval from the race chair.
- D. The consumption of alcohol is prohibited until after the daily on track activities are concluded. In addition, GCR 2.3.1.B shall be in effect as it relates to Narcotics and Dangerous Drugs.
- E. The organizers reserve the right to refuse entry and/or issuance of credentials to the premises or event for any reason except race, color, creed, sex, or national origin.
- F. Unmanned aerial vehicles, also known as drones, shall not be used anywhere in the airspace over the property.
- G. All on track body contact (including contact during drafting) that causes a car to act erratically and results in a change of position or a car leaving the course will be investigated.
- H. Club racing penalty guidelines can be found online at http://www.coloradoscca.org/documents/2019_penalty_guidelines.pdf

TIME TRIALS: Sessions will be governed by the current National Time Trials Rules. Rules, Car Classing, and information can be found at <https://timetrials.scca.com/>.

- A. Pre-registration is required at coloradoscca.MotorsportReg.com. Participants are required to have a valid driver license and either an Annual or Weekend SCCA membership prior to taking part in the event. Annual memberships can be purchased through <https://www.scca.com/>. Weekend memberships will be available during online registration.
- B. Transponders may be available for rent at the rate of \$50.00 for the weekend, along with a \$500 retainer on a valid credit card. The retainer will not be charged unless damage or loss of the transponder occurs. There are a limited number of transponders available for rent and these are available on a first-come, first-served basis and should be reserved through the online registration process.
- C. A signed TT Tech Form is required before your car can go on track. ([Click here](#)) to download the form and complete the form before you get to the track. Your completed Tech Form can be handed in to the Time Trial Event Lead or Competition Director during the TT Tech times and location as listed on the schedule. After inspection, you will be given a Tech Sticker to place on your car.
- D. Participants must attend the Mandatory Time Trials Driver Meeting at the time and location listed on the schedule. In addition, drivers will attend a short debrief with the TT Event Lead after each on track session.
- E. Volunteers can participate in one FREE TT session each day worked as coordinated with their chief of specialty and the TT Event Lead.
