- D. Refunds due to mechanical failure will be considered by the Chief Registrar for cars that have not been on the racing surface as verified by the Chief of T & S. Requests must be submitted to the Chief Registrar before the end of the event.
- E. Approved refunds will be issued via MotorsportReg.
- F. Registration check-in will be held in the Registration/Hospitality building in the paddock. All drivers, volunteers, and officials must check-in to complete registration and receive credentials, even if you have signed an annual SCCA waiver.
- G. Only members who hold a current SCCA membership may be credentialed for the hot areas. Weekend memberships can be purchased at Registration, during posted hours, for a fee of \$15.00.

DRIVER ELIGIBILITY: Drivers must have a current SCCA membership with a current SCCA Full Competition License, SCCA Pro License, SCCA Vintage License, or SCCA Novice Permit. In addition, Colorado Region welcomes ALL organizations whose licenses are currently approved by SCCA for competition as listed in the GCR, Appendix C, 2.8.B (pages 109 & 110). [Download GCR](#). Proper credentials must be presented to complete event registration.

CAR ELIGIBILITY: This competition is open to all cars conforming to the GCR, as amended.

- A. Colorado Region also recognizes Regional and Spec Classes specific to the Rocky Mountain Division as follows: Club Ford (CF), Club Formula Continental (CC), Club Vee (CV), ITE Everything (ITE-0, ITE-U), Spec RX-7 (S7), Spec 7 with 13B (Pro 7), Spec 944 (S944), Spec E30 (SE30), Spec M3, Spec Formula F (SF), Regional Spec Miata (RSM) and Super Production(SP). Class rules and information for these classes can be found at <http://www.coloradoscca.org/rulesforms.php>
- B. Rocky Mountain Division Regional Championship rules are available online at <http://www.coloradoscca.org/rulesforms.php>

COMPETITION NUMBERS: Preference will be given to numbers assigned through the Rocky Mountain Division numbering program. Unreserved numbers are on a first-come, first-served basis. All numbering assignments are subject to race group configurations.

TECHNICAL INSPECTION: Tech inspection hours are posted on the event schedule.

- A. Express Tech is available for drivers with both a current annual tech and a current year helmet sticker. Drivers should bring their vehicle logbook and registration credential to get their Event Tech Stickers.
- B. Drivers without a current year Helmet Sticker must present all driver gear as required by the GCR, vehicle logbook, and registration credential to Tech. If your car requires an annual tech, you must also bring the car to tech. An Event Tech Sticker will be issued after everything is examined and approved.
- C. The order of inspection at the track will be:
 1. Express Tech
 2. Re-inspection, logbook notation
 3. Annual inspection or Cars with no logbook (new or lost logbooks) – must make prior arrangements with the Chief of Tech to have this performed at the track.

SCALES: Scales will be available each day per schedule and until the end of competition, except during impound. Driving on or off the scales is prohibited unless otherwise instructed by Tech personnel. Motors must be turned off and competitors and/or crew must push cars on and off scales.

EVENT SCHEDULE / RUN GROUPS: The course configuration for this event will be Clockwise. The event schedule or run groups may be changed at the discretion of the Chief Steward. If changes are made, as much notice as possible will be given to all competitors.

- A. The schedule as published is for planning purposes. Session start times may vary from the published schedule as the event progresses.

TIMING AND SCORING: All cars are required to use fully operational AMB transponders.

- A. It is the driver's responsibility to make sure their transponder is working AND that the correct transponder number has been provided in the registration system or to the registrar. A vehicle without a working transponder or with a missing transponder number may not be scored.
- B. Additional transponders may be available for rent at the rate of \$80.00 for the weekend, along with a \$500 retainer on a valid credit card. The retainer will not be charged unless damage or loss of the transponder occurs. These are available on a first-come, first-served basis and should be reserved through the online registration process.
- C. The clock will continue to run during all flag conditions with the exception of the red flag.
- D. Personal timing beacons are not allowed within 20 feet on either side of the T & S system, or across track from Start/Finish.

GRID: Starting positions for the first race each day will be determined by the fastest time recorded for each car during the preceding qualifying session. Starting positions for each subsequent race will be determined by the finishing position from the race immediately preceding it. Cars arriving at the grid after their group has been dispatched on track may, at the discretion of the Operating Steward, be held at pit out and released at the end of the pack after the field has completed the pace lap.

- A. Crew / Guests must leave the grid at the one-minute warning.
- B. Drivers are prohibited from scrubbing tires in the paddock, grid, pit out to the course and hot pit lane.

RESULTS & AWARDS: Trophies for feature races (Race #2) will be awarded in accordance with the GCR.

- A. Results and trophies will be available in the hospitality area. Sunday trophies will be available until 1 hour after the last checkered flag. Trophies not picked up will be considered forfeited unless prior arrangements have been made with the race chair.
- B. Only cars with an SCCA logbook will be eligible for points towards the Rocky Mountain Division Championship Series.
- C. Regional Entrants; event points count for both 2020 and 2021.

FLAGGING: Applies to Club Racing groups and Track Event (HPTD)

- A. GCR 6.1.1 flag rules apply to all sessions
- B. BLACK FLAG station is at corner station 6
- C. For practice sessions, a CHECKERED FLAG signaling the end of the session may be displayed at BOTH Start/Finish AND Corner 6. Cars receiving the Checkered Flag at Corner 6 must proceed directly to the pit lane/paddock
- D. Last lap may be a waiving white flag or "1 to go" sign at start/finish.

DESIGNATED INCIDENT INVESTIGATION SITE

- A. If a driver is involved in significant body contact, the driver and car shall stop at the designated incident investigation site for review of the incident by the stewards before going to their paddock area.
- B. The designated incident investigation site for La Junta Raceway is located in race impound.
- C. "Significant body contact" includes but is not limited to: contact resulting in 2 or 4 wheels off course, spins, loss of position, or repairs to suspension or bodywork.

DISABLED CARS: Disabled or damaged cars may be removed from the course and delivered to a central location. If the car has sustained body/chassis damage it will be taken to impound and will be released to the driver/crew after tech has made appropriate notations in the vehicle log book. Cars disabled due to a mechanical failure will be released to the driver/crew immediately. If the car requires wrecker support to return to its paddock location, there may be a delay depending on the availability of wreckers or flat tows.

RADIO FREQUENCIES: The region frequencies below shall not be used for communications by any participant.

451.2875	451.3125	451.3375	451.3625	451.3875	461.5125
