PAYMENTS AND REFUNDS

Online registration is at the following link [Colorado SCCA Motorsport Reg](#). Online registration will close the Wednesday prior to the event. Payments will be processed at the time of check-in at the track. Cancellations should be made prior to the event.

- All drivers, Volunteers, and Crew must check in and sign the SCCA waiver to get event credentials.
- Refunds will be considered for cars that have not been on the racing surface. Requests must be submitted to the Chief Registrar.
- Once the event is complete, refund requests must be made to the region treasurer teri.massey@comcast.net within 7 calendar days.
- SCCA membership is required for access to Hot Areas. Proper credentials and event wristbands as provided by the region must be visibly displayed in all hot areas. Weekend membership can be purchased during registration hours (\$25.00).

DRIVER INFORMATION

DRIVER ELIGIBILITY: SCCA membership and a current SCCA Full Competition License or SCCA Novice Permit are required. Additional acceptable licenses are those approved by SCCA as listed in the GCR. [Download GCR](#). Proper credentials required at check-in.

CAR ELIGIBILITY: This competition and school are open to all cars conforming to the 2026 GCR, as amended.

- A. Colorado Region also recognizes classes specific to the Rocky Mountain Division. The current list, rules, and information can be found at <http://www.coloradoscca.org/rulesforms.php>
- B. Rocky Mountain Division Regional Championship: [Link to Championship Rules](#)

DRIVER SCHOOL STUDENTS: SCCA Membership, a Novice Permit, and an SCCA Race Car are required. Detailed New Driver information can be found at [Ready to Go Racing](#). Students are required to complete several pre-study assignments prior to the school weekend. Contact the chief driving instructor with any questions.

- A. Read [Welcome Advice to New Drivers](#) & the [Driver School Student Handbook](#).
- B. Log into your account portal at [SCCA](#) and complete SCCA Driver's School [Module 1](#) & [Module 2](#) before class.
- C. Complete both the [GCR Exam](#) and the [Flag Test](#) and bring your answers to class.

SCHOOL GRADUATES SUNDAY RACE: School graduates whose Novice Permits have been signed off and wish to compete in the Sunday Regional races must return to Registration on Saturday to complete registration for an additional one-day entry.

COMPETITION NUMBERS: Preference will be given to numbers assigned through the Rocky Mountain Division numbering program.

Unreserved numbers are on a first-come, first-served basis. All numbering assignments are subject to race group configurations.

SCHEDULE / RUN GROUPS: The schedule is published for planning purposes and times may vary as the event progresses. The event schedule or run groups may be changed at the discretion of the Chief Steward and as much notice as possible will be given to all competitors. The clock for practice and qualifying starts with cars on course. The official clock for races starts when the first car crosses the start/finish line at the end of the pace lap.

TIMING AND SCORING: All cars are required to use MyLaps (formerly AMB) transponders. Drivers are responsible for providing correct information during registration. Non-operational transponders or missing transponder information may not be scored for the event.

- A. A limited number of transponders may be available for rent - \$30.00 per day, along with a \$500 retainer on a valid credit card.
- B. The clock will continue to run during all flag conditions, except for the red flag.
- C. Personal timing beacons are not allowed within 20 feet of the T & S system, or across track from start/finish.

GRID: Race 1 starting positions each day will be based on the practice/qualifying session immediately preceding the race. Race 2 starting positions each day will be based on the finishing order from race 1. Crew and guests must leave the grid at the one-minute warning. Drivers are not allowed to scrub tires in the paddock, grid, pit-out or hot pit lane.

SPLIT STARTS: The Chief Steward will consider requests for split starts and may authorize such based on qualifying times.

CONTACT: On track body contact (including contact during drafting) that causes a car to act erratically and results in a change of position or a car leaving the course will be investigated. Any car with significant body contact must proceed to the designated incident investigation site in Tech/Impound for steward review before going to their paddock. This includes but is not limited to contact resulting in 2 or 4 wheels off-course, spins, loss of position, or damage to suspension/ bodywork.

PENALTIES: Club racing penalty guidelines can be found online at [Penalty Guidelines](#)

DISABLED CARS: Disabled or damaged cars may be removed from the course and delivered to a central location. If the car has sustained body/chassis damage it will be taken to impound and will be released to the driver/crew after tech has made appropriate notations in the vehicle logbook. Cars disabled due to a mechanical failure will be released to the driver/crew immediately. If the car requires wrecker support to return to its paddock location, there may be a delay depending on the availability of wreckers or flat tows.

SOUND CONTROL: A maximum of 103dB is in effect for this event. Sound will be located on the front straight, drivers left, midway between Start/Finish and Turn 1. Sound readings will be posted at Hospitality.

FLAGGING: The BLACK FLAG station is corner 6. During practice sessions, a CHECKERED FLAG signaling the end of session may be displayed at BOTH Start/Finish AND Corner 6. Cars receiving the checkered flag at Corner 6 must proceed directly to the pit lane/paddock. The LAST LAP will be indicated by a waving white flag at start/finish.

AWARDS: Results will be posted at Hospitality. Finalized results will be posted to the Colorado Region website within 7 days of the event. Trophies for Feature Races will be awarded in accordance with the GCR and will be available until one hour after the event on Sunday. Trophies not picked up will be considered forfeited unless prior arrangements have been made with the Race Chair.

TECHNICAL INSPECTION

EXPRESS TECH: Drivers with current annual tech and current year helmet stickers should present their vehicle logbook and registration credential. Drivers without a current year helmet sticker must also present all gear as required by the GCR. Cars needing an annual tech, must make prior arrangements with the Chief of Tech to have this done at the track. An event tech sticker will be issued after everything is examined and approved.

- A. The inspection order of priority at the track will be: Express Tech, Re-inspection/logbook notation, Annual inspection or cars with no logbook (new or lost logbooks).

SCALES: Scales will be available during posted tech hours, except during impound. Driving on or off the scales is prohibited unless otherwise instructed by Tech personnel. Motors must be turned off and competitors and/or crew must push cars on and off scales.

If Tech personnel instruct you to drive onto the scales, proceed gently with minimal acceleration and braking forces, which can damage the scale pads. Also, please follow the tech personnel's instructions regarding left to right alignment and where to stop.
