Anything above **.04** will result in immediate termination from the event.

Ground Transportation- When flying into or out of an event, ground transportation is the responsibility of each individual Contractor. Pooling your resources from your transportation stipend amongst the other Instructors is encouraged, as to lessen the cost of at event transportation.

Half Day- Any day lasting less than 6 hours will be paid at a half day rate of 55%.

Lodging- Shared lodging is provided for employees and sponsored contactors (SRI, LI, PDI tier-1) on the nights the Chicago based team is staying. When staying in a room provided by XX, non-approved additional charges to the room will be deducted from event pay. Non-sponsored contractors (PDI tier-2 and NI) are responsible for their own lodging at events.

Paddle Shifting- We prefer guests to keep cars in auto, but paddle shifting is allowed in our program. We recommend this be allowed only after 1st lap or for return / experienced customers.
