5. **DRIVER ELIGIBILITY.** Each student must present at sign-in registration a current SCCA membership card and a current SCCA Novice Permit. **STUDENTS MUST SECURE THEIR SCCA MEMBERSHIP AND NOVICE PERMIT PRIOR TO THE EVENT.** Each student is required to obtain and read the 2022 General Competition Rules (GCR) prior to the school. A free official electronic version of the GCR can be found at: <http://www.scca.com/downloads>.
6. **ENTRIES.** The attached entry form is part of these Supplemental Regulations and contains pertinent contact and event information. Entries will be accepted beginning on **December 30, 2021**. They must be entered into the MotorsportReg online registration ([motorsportreg.com](http://motorsportreg.com)).
7. **REGISTRATION.** Sign-in and on-site registration will be in the Classroom area in the Track main building. Participants will be required to sign a track waiver as they enter the facility. Registration will be open as listed in

the schedule. All persons attending the event must register and sign the release during these hours. At other times check at the Registration Center for registration information.

8. **MINORS.** Minors under 18 years of age must be accompanied by a parent or guardian to sign a minor waiver or must present a notarized minor waiver. Note that no one under 18 years of age is allowed in hot areas including the Hot Pits and the Staging Area. Any drivers who are minors may enter the hot areas.
9. **SCHEDULE.** The attached schedule (Appendix B) contains session times for the event.
10. **SOUND CONTROL.** Sound Control is in effect. The 2022 sound limit is **103 dB**. The sound station will be located to the driver's left on the front straight, just before start-finish. Whenever possible, a sign board with the word 'Sound' and a car number will be displayed at Start/Finish the first time that a reading over 103db is reported. This display, or lack thereof, is informational only and may not be protested.
11. **PADDOCK.** To facilitate emergency vehicle access, race and personal vehicles must not be parked on any paddock road or safety access lane during an Event. Speeding (over 5 MPH) and reckless driving in the Paddock are strictly prohibited. No stakes or holes may be driven into the asphalt; nothing may be painted on the asphalt surface. Receptacles will be available for used oil and other fluids. All trash and hazardous debris must be disposed of properly or taken with you when you leave - the facility must be left as we found it. Absolutely no alcohol may be consumed in the Paddock during the day's racing events. Alcohol may be consumed 15 minutes following the completion of on-track activity for the day.
12. **VEHICLES.** The speed limit in the Paddock is 5 mph. The speed on access roads is 5 mph. Race cars not street licensed may not be driven outside of the Paddock. Absolutely no testing or brake bedding on infield roads is permitted.
13. **TRACK ACCESS.** No motorized vehicles are allowed on the race course or in the pit lane before the start or after the end of the scheduled competition activities on any day of the event.

## **OPERATIONS**

1. **FLAGS.** The flag procedures for this event will be discussed at the driver's meeting each day; and will follow SCCA rules.
2. **EMERGENCY VEHICLES.** Safety car, emergency equipment or tow vehicles will have appropriate warning lights in operation. Be aware that these vehicles may enter or exit the track from any location.
3. **RADIO FREQUENCIES.** The following radio frequencies are reserved for official use and must not be used by teams during the race: *(frequency list to be provided at registration)*
4. **ASSISTANCE.** No material or other assistance, except by officials, is allowed an entry when the car is away from the pits and paddock.

## ***DRIVER INFORMATION***

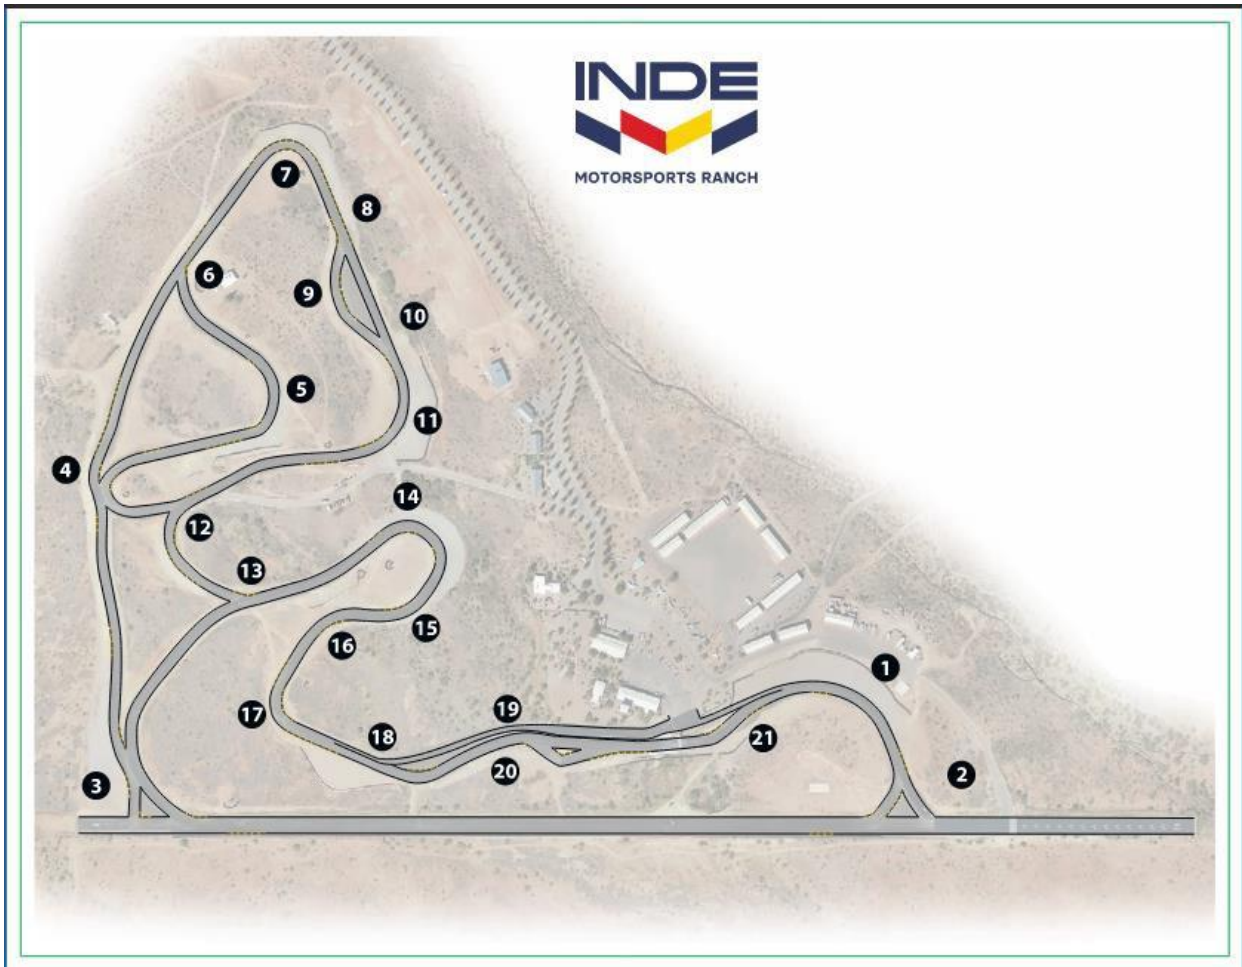

1. **MANDATORY DRIVER'S MEETING.** The times of the driver's meetings are posted on the schedule. Roll will be called and a penalty will be applied for non-attendance unless specifically excused by the Lead Instructor.
2. **BODY DAMAGE & MAJOR REPAIRS.** Any car suffering severe body damage may be prevented from continuing until satisfactory repairs are made. Major repairs or ones requiring extra supplies and/or equipment shall be performed in the Paddock.
3. **TIMING & SCORING.** AMB Tranx260 Transponders will be used at this event and are required. A working and charged transponder must be mounted on each car. It is the competitors' responsibility to notify Timing & Scoring of their transponder number by writing it on the T&S section of the entry form or by reporting to T&S in person. It is also the competitors' responsibility that their transponder is working and charged sufficiently to be read by the AMB System. Non official timing lights may not be within 30 feet of the timing line. Track records will not be recognized during this event.
4. **TECH INSPECTION.** Tech inspection will be conducted at the Tower in the Paddock area. You must have proof of registration to get a tech sticker. Bring current log book.
5. **TOW HOOKS.** Tow hooks/hoops are mandatory to expedite the towing process.
6. ***PIT RULES***

These rules will be strictly enforced. Infractions may incur a penalty as determined by the Chief Steward.

1. **PIT SPEED.** Driving in the Pit Lane must be no more than 30 MPH with no reckless stops or starts.
2. **EQUIPMENT STAGING.** The staging of equipment in the hot pit (i.e. wheels, jacks, etc.) prior to a pit stop is not allowed. No materials or equipment may be stored in the hot pits except by express permission of the Pit Marshal. Only one person is allowed in the hot pits as a guide until the car has come to a complete stop.
3. **HOT PIT SAFETY.** The hot pit is defined as the area from the inner Pit Wall to the outer Pit Wall
  - a. While working on or near the car, long pants, shirts and shoes that cover the entire foot are required.
  - b. No welding or spark producing activity is allowed.
  - c. No grills or open flames are allowed. No smoking.
