

Pit/RV Request Form

Event: Northwest Karting Association, In City Prints 2021 RD 3&4

This completed form is required for all reserved pit spots at PKA's ICP Cup Sprint event. The more detailed the better, if you have a design, attach to this completed form, or use the box below to show your team layout, entry and exit points, doors, tents, trailers, generator exhaust, etc. When designing your layout assume 3 sides will surround you by another team, use feet when measuring, and label front of you trailer. Email form to o.cancersucksracing@gmail.com and kartcr@yahoo.com send to both email addresses.

All pit areas are required to comply with the following: Pit area will have a minimum of one 5-lb type ABC rated fire extinguisher for every 400 square feet of pit area; fire extinguishers must be visible and accessible at all times, competitors with trailers over 20ft long shall have a minimum of one 20 lb type ABC fire extinguisher for the trailer in addition to one 5-lb unit for each 400 square feet of pit area.

Our pit space very limited. We will request all large trailers will have more than 2 karts in their pit spot and may be required to share pit space with others to all fit in as many racers in the main pit area as possible. All RVs will be required to park outside of the pit area.

We will try our best to accommodate all requests.
