Tech forms will be available at the event, but you are welcome to print out and fill them out on your own

• [SCCA TT Tech Form](#)

Some vehicle tech requirements are as follows:

Convertibles without factory rollover protection must have a rollbar OR a hardtop. ie. Miatas (all generations) need to have either a hardtop or an aftermarket rollbar. S2000s only need factory rollover protection.

If your car has any of the following features, take your car to Tech for Tech Signoff

AZSCCA reserves the right to refuse a vehicle to be driven on track, if the vehicle is deemed unsafe and does not follow the safety requirements. Drivers who have a vehicle that is declared unsafe will be issued a refund if their vehicle is unable to pass tech.
