## FULL SET OF RULES:

Entry to this race does **not** have to be in conjunction with any other race(s) of the weekend.

Except as noted, the 2022 ICSCC Competition Regulations will apply.

Classes follow ICSCC class rules except for the Production class (P0-P3) which is not an ICSCC class. Production cars should resemble factory production cars and shall follow guidelines outlined on page 1.

Maximum number of drivers per race: 1 Hour Races – two. 2 Hour Races – four. Teams may petition the Race Steward to have additional drivers. Drivers on teams that use more than the maximum number of drivers will receive full points if the driver has driven a minimum of fifteen minutes. In all other cases a driver must drive in the race to score points unless the car DNF's. Drivers may drive in up to two cars per race. Where a driver is found racing without registering, the team will at a minimum be disqualified.

Car numbers will be assigned on a first come, first served basis.

**Points:** See above (page 1) for point structure. Each driver will receive the same points whether an entry is one or multiple drivers. Example: If a one driver entry wins – 12 points are awarded. If a two driver entry wins – 12 points are awarded to each driver. Pole points will be awarded to both drivers. If a driver drives in two different cars in the same race, they will only receive points for the higher finish if the two cars are in the same class. If the two cars are in different classes, the driver will receive points for both classes. The Series Championship (each class) will be determined by adding a drivers five highest point totals together. Ties in final points shall be resolved on the basis of each driver's record of first place finishes; then, if necessary, second place finishes. If two or more drivers have accumulated the same number of first and second place finishes, they shall be considered tied for the Championship. If for example two drivers tie for the Championship, the next driver shall be considered to have finished in third place.

**Mandatory Pit Stop:** Each one hour race will have a mandatory 60 second pit stop to be made between the 20 minute mark and the 40 minute mark of the race for both one driver and two driver entries. Each two hour race will have a mandatory two minute pit stop to be made between the 30 minute mark and the 90 minute mark of the race for both one driver and multiple driver entries. Pit stops may be made before or after the mandatory pit window but will not count towards the mandatory pit stop. All crew members who have the potential to come into direct contact with gasoline or gasoline vapors during pit stops are required to wear the following safety gear: A fire suit, fire resistant gloves, head sock, and helmet. A fire bottle designee is also required in case of a fire; however, they are not required to wear the same safety gear. No contact with the car is allowed while refueling except for a driver change. Pit crew attire: Arms, legs, and feet shall be fully covered.

The Pit lane speed limit and zones shall be determined by the sponsoring club. One crew member is allowed over the wall to signal the car into their pit space. During a Full Course Yellow (FCY), pit lane will be closed. If you are in pit lane at the time of a FCY, you will be released to rejoin the field. Pit lane will not re-open until the entire field has passed start/finish after the re-start of the race. If a FCY or Black/Red flag extends past the mandatory pit window, two green flag laps will be added to the pit window. The clock will continue to run under race stoppage.

**Minimum Penalties:** Pit lane speed violation, fuel spillage over 1 liter – Stop & Go. Improper attire on crew members over the wall, no fire bottle designee – Penalty Box: 30 seconds.
