

## Lap Battle Drivers Orientation

**First time out at a Lap Battle event and not sure what to do? Read through this short driver's orientation to get up to speed so you can attend the events like a pro!**

### Before the Competition

Car Prep:

Go through the Online Self Tech form to ensure your car is in track ready shape. The Self tech form can be found on the website ([www.dmstiming.ca](http://www.dmstiming.ca))

Things to bring:

Helmet

Bug Spray (Mosquitoes can get unruly)

Sunscreen

Screw in Tow Eyes (or an accessible tow point on your Vehicle)

Food

Drink

Tire pressure gauge

Painters tape to mark out numbers

Plastic bin to put all your gear in

### Arriving at the Competition

Pick any spot in the parking area to make your pit area. Remove all loose items from your vehicle and put the car number you registered with on the drivers door. Numbers need to be at least 8" tall and easily visible. If you forgot your number you can check on your Motorsportreg account. Painters tape works great for numbers! Please arrive before your

chosen Time Slot. If you show up late & have booked multiple sessions you may not get them all in.

## 5 Lap Sessions

Once your time slot is up, get into your car & get lined up in the staging lane. Cars will be sent out one at a time to do their timed competition laps. Follow the instructions of the starting attendant, they will wave a green flag when it is safe to proceed onto the track. **Do not proceed until you have seen the Green Flag!**

*You do not need to remain In your car while waiting for your turn.*

Upon entering the track you are now on your “Out Lap”. This lap is to get your car & tires warmed up. Once you proceed around the track and cross the checkered line for the first time, the timing system will be triggered & you will now be on your first timed lap!

You will cross the checkered line 3 more times giving you a total of 3 timed laps. Upon your final time crossing the line you will now be on your “In Lap”. Also known as a cool down lap. A checkered flag will also be waved at you to signal this. For this lap, you will slow down and head back into the pits. Do not cross the checkered line again! You will exit at the pit entrance at the opposite end of the staging lane. *You will cross the checkered line a total of 4 times during a session*

If you see a red flag waved at you, slow down & head into the pits. That means there is something wrong with your car, or an unsafe condition lies ahead.

Once you have completed your 5 lap sessions head back into the pits. If you have booked or paid for more during that time slot, get lined back up & repeat until you have done all your sessions.

If you lose control of your car, put the clutch in and hit the brakes until you come to a stop or regain control.

### Event Results

You can view live results that are updated every 60 seconds on your phone during the event. All you have to do is go to [www.dmstiming.ca](http://www.dmstiming.ca) and click on the red Live Results button in the top left hand corner. You will be able to view your current position, run times & penalties. Full results are also posted up that night on the website.

### Passengers

Passengers are not allowed for this event due to liability reasons

### Vehicle Issues

If your car develops a mechanical issue during a run, pull off into the grass asap! Oil spills & fluid leaks take a lot of time to clean up on the track, the sooner you're on the grass the better!

Please note, your vehicle insurance is void when driving on the track. Dan's Motorsports Timing and Stratotech Raceway are not liable for any damages done to you or your vehicle at this competition event you are participating in. These events are insured only for damages done to the track or spectators. You will not be compensated for damages done to your vehicle or injuries you sustain, so please drive within your capabilities!

### Washrooms

Washrooms are in the main building through the door that has a Washroom sign on and out front of it.

**And please follow the #1 rule of all DMS Time Trial competitions..Have Fun!**
