By properly completing this form, the driver agrees he is waiving his finishing position and all points for the race. The results for the race will show that a waiver was filed. All drivers finishing in a lower position will be moved up. The driver will receive a credit for the race for license renewal purposes. The applicable SARRC rule is:

1. This waiver must be completed by the driver prior to qualifying and signed by the Chief of Tech or designate.
2. Tech will file this waiver with the Chief Steward or his designate for approval. The Chief Steward will advise tech if the car is to report to post race impound and so note.
3. The Chief Steward will deliver this waiver to T & S and be responsible for ensuring that results properly reflect the waiver.
4. A copy of the waiver will be retained by T & S for later verification.
