Harken back to the Victorian era at a time when Pinehurst was first developed. Step into a luxury motor coach and enjoy a windshield tour of the beautifully designed Village of Pinehurst. During the hour-long tour you will learn about the origins of

Pinehurst from its discovery and founding by James Walker Tufts to how famed landscape architect William Law Olmstead designed the village. Hear spooky tales of Pinehurst ghosts and ride by the location of America’s first miniature golf course. Enjoy a glimpse into the storied past and see the lovely cottages of some of Pinehurst’s most famous residents including Annie Oakley, General George C. Marshall, and Donald Ross.

After the tour, take a little stroll and shop the unique boutiques where you will be greeted by local shop owners who make the village buzz with excitement.

Then, indulge in a little tea time with lunch at **Lady Bedford’s Tea Parlour**. Lunch will be traditional High Tea complete with ornate decorations, vintage charm, delectable tea sandwiches, scones and sweet treats. It will be an experience to remember and a wonderful diversion from the hustle and bustle of everyday life.
