

Cat Toy Toss

Charity fund raiser for Sheboygan Humane Society

One dollar per try – Closest to the center of the target at the end of the day wins the prize

This activity is a replacement for the Cat Box Race activity. The intent was to not disrupt the social interactions at the Saturday Party. Our Cat-themed fun this year is a 50/50 fund raiser for the Sheboygan Humane Society. This skill game will measure which "cat toy toss" is closest to the target, with the winner taking half the proceeds of the day! Each toss costs one dollar. We'll set up a "play field" outside the Paddock Press Room at the gas station from 9 AM - 4:30 PM, and then outside the Road America Center from 5-6:30. In case of inclement weather, a note at the paddock press room will tell where to participate during the day. If the Play Field is unstaffed, stop inside to awaken the sleeping cats to cheer on your tosses! A Leader Board will keep participants up to speed on which toss is leading. Watch out for hazards on the play field, and test your skill while helping a good cause. Enter early and enter often!
