SUPPLEMENTARY REGULATIONS

This event is governed by the 2025 SCCA Race Experience Rules, and these supplemental regulations.

REGISTRATION: Drivers must pre-register for the race online at azscca.motorsportsreg.com. At event check-in for Registration will be held in the shed building located next to the main office & grid area.

ENTRY FEE PAYMENT: Drivers will be asked for a credit card, at the time of registration. Credit cards will not be charged until the day after the event. Fees will be refunded **ONLY** if a car does not pass technical inspection or it does not put a wheel on the track, drivers must notify registration before leaving the track.

DRIVERS and CREW must present their valid:

SCCA Membership & SCCA Photo ID. Weekend memberships shall be available at registration.

DRIVER ELIGIBILITY: SCCA Racing Licenses are NOT required for this event. Anyone with a driver's license, and any minor (14 15-years old) on their SCCA Road Racing Novice Permit. Full driver eligibility should be reviewed at <https://www.scca.com/pages/race-experience-drivers>

HOWEVER - A current, paid membership to SCCA is required to compete in the Enduro portion of this event.

If you haven't raced before, have only raced a few times, or just might like some brushing up on your skills, there will be experienced driver coaches on hand to help you through the event.

Because there are mixed experienced levels on track – if you have an “off” or spin, you'll come in for a quick check-in with the driver coach. Once we're sure everyone is OK – you'll be sent back on track. If there is contact with another car (or barrier) the check-in with the driver coach will be a little longer.

HOT PIT PASSES: No “Hot Pit” passes will be issued after registration closes.

CAR ELIGIBILITY: This event is open to production-based cars and small-bore GT cars meeting SCCA safety requirements found at <https://www.scca.com/pages/race-experience-vehicles>, purpose-built racecars like Formula Cars, Sports Racers/Prototypes, Big Bore GT Cars and Pro series cars are not appropriate for this event.

This also means that your car will need to have racing items like a roll cage, racing seat, racing harness, window net, etc. If your car has run other organizations like ChampCar, AER, Lucky Dog Racing League – chances are it's good to go, but our tech inspectors will double-check for you. If you have questions about your specific car, please contact the registrar, and your question will be sent to the appropriate organizer.

TIMING & SCORING: All cars are required to use fully operational AMB Transponders, and the driver is responsible for providing correct information to Timing & Scoring. One transponder is required at the risk of each team if your transponder fails, two transponders are recommended. All cars are required to have SCCA stickers on each side and nose of the vehicle. Stickers will be provided free of charge and may be obtained at registration and/or tech. All Cars without a current SCCA log book will be teched prior to going on track. Cars with current SCCA log books will follow standard SCCA procedure of gear only tech. However, an additional inspection, on the discretion of the Chief Steward or Tech Inspector may be required.

COMPETITION NUMBERS: Due to the combination of classes within run groups the entries received by the registrar through noon on September 25, 2025 will be given number priority on a first come, first served basis.

TECH: Before being allowed on track, each vehicle will need to go through Safety Inspection. Vehicles with a current SCCA Annual Tech Inspections in their logbooks will be honored. Any vehicle without an annual tech/logbook will need to be individually inspected. Annual Tech stamps can be reviewed and a sticker will be issued at tech, located in the trailer parked at the West end of the Paddock. A map will be provided at registration showing the location and directions to Tech.

Contact the registrar, Jim Cantrell at jamesncantrell@icloud.com for information on tech inspection availability.

EXPRESS TECH: Drivers with both current annual tech and a current year helmet sticker may bring their vehicle logbook to Tech get their event stickers after completing on-site registration.

MANDATORY DRIVERS MEETING: A drivers meeting shall be held at the start of the enduro per the event schedule.

EVENT SCHEDULE: The event schedule may only be changed at the discretion of the Event Lead and Race Director as needed to accommodate situations that may be encountered during the event. If changes are made prior to the event, as much notice as possible will be given to all affected competitors. The schedule as published is for planning purposes only. Actual start times from the published schedule based on actual event progression. Listen to the PA system and pay attention to what is happening on track.

IMPOUND: All cars must report directly to impound area after the qualifying session. The Race Director will release the group as soon as possible.

GRID: Starting positions for the race will be determined by the fastest time recorded during the qualifying session on that day. Cars arriving at the grid after their group has been dispatched on track may, at the discretion of the Operating Steward, be held at pit out and released at the end of the pack after the field has completed the pace lap.

TIMED SESSIONS: The clock will continue to run during all flag conditions.

RACE LENGTH: Podium Club - CCW Configuration – Counterclockwise (2.32 mi.). Race shall be timed races per the event schedule and is expected to run 3 hours.

RESULTS: Live timing will be available during the event. Unless otherwise announced, live timing will be available via the MyLaps SpeedHive App available for iPhone and Android phones. Qualifying, provisional and final results will be posted at the base of the Timing and Scoring Tower. Drivers may obtain a copy of the final results from Timing & Scoring.
