Passing Zones:

- Mandatory point-bye: Passing without point-bye incurs a black flag. Slower vehicles repeatedly failing to yield to overtaking vehicles will be black-flagged.
- Passing allowed on ANY straight and corner entry at end of straights (before apex).
- No passing between turns 2 and 3 (middle of "esses") or in the "bus stop" (turns 5a & b). Passing is allowed/encouraged between exit of bus stop (5b) and entry to "outer loop" (5c).

Two Spin/Four-off Rule: If you spin or go off- report to the pit steward. NOTE: Paved runoff at Turns 1 and 8 is for safety, and is considered "out of bounds". Putting wheels off routinely in these areas is strongly discouraged and may incur a black flag.
