Rules of the Pit and False Grid: All persons in the Pit Lane must be SCCA Members with proper credentials. There is no working on vehicles in Pit Lane or the False Grid. All vehicles must enter the track via the false grid. All Vehicles must exit the track via the Pit Lane. A map will be provided in your registration packet with these areas marked. Weekend memberships will be available at registration for those crew needed in Pit Lane who are not SCCA members.

Rules of the Track: Besides the rules in the TTR, other special conditions that apply to this event follow:

1. Limited passing zones:
 - A. The beginning and end of all passing zones will be marked with colored cones lined up and located just off the racing surface. These zones and their marking will be defined during the mandatory driver's meeting.
 - B. All passes must not start until your vehicle is in the passing zone and must be completed before the end of the passing zone (NO EXCEPTIONS). It is required that passing vehicles obtain a "point by" from the driver of the vehicle being passed. All passes are to be on the left side of the passed vehicle.
2. Three strike rule – This event is run with a "three strikes and you're out rule". A strike is defined as the following:
 - A. Dropping 2 or more wheels off track.

- B. A spin either on or off track.
 - C. Contact with another vehicle or with any type of safety barrier.
 - D. Ignoring the flags or the instructions of the corner workers or other PDX officials
 - E. Passing zone violation
 - F. Any other actions deemed by the Chief Steward or Chief Safety Steward to be unsafe or unsportsmanlike.
 - G. No refund will be issued for remaining track time for participants that receive reprimands under these rulings.
3. All cars paddocked adjacent to paved roads must not extend onto the pavement so as to block a lane of traffic.

Flags and Their Meanings:

- **Yellow, standing** – something has happened ahead of you, but is off the track surface. Absolutely no passing. A yellow flag may be displayed at all stations for the first laps of a session to allow all cars (and drivers) to warm up.
- **Yellow, waving** – something has happened ahead of you and is blocking at least some of the track surface. Slow down and be prepared to take evasive action or stop. Absolutely no passing.
- **Red & yellow, striped** – there is debris on the track ahead, possibly oil, coolant, dirt, an errant animal and/or parts of a fellow driver's car. Be prepared to respond accordingly.
- **Red** – stop as quickly as safely possible, pull to the side of the track to allow maximum room for emergency vehicles, stay in your car and await instructions from a corner worker. We REALLY don't want to show this flag!
- **Blue / yellow stripe** – a faster car is following. Allow it to pass at the next passing zone. Acknowledge the blue flag with a small wave to both the worker and the following car. This courtesy prevents tailgating, mirror driving, and promotes safety.
- **Black** – enter the pits at the next opportunity to consult with an event official.
- **Black with red/orange center ("meatball")** – there is something wrong with your car. Proceed carefully to the pits to find out what.
- **Checkered** - will only be shown on driver's left at Start/Finish line. The session is over. Proceed on a cool-off lap by slowing down and using the brakes as little as is safe. Allow your car and yourself to cool down and relax. Proceed to pit lane and attempt to wipe that silly grin off your face.

Waivers: Everyone entering the track must sign both the GingerMan and SCCA waivers. **Additionally, any participants under the age of 18 must execute separate and individual minor waivers to both GingerMan and SCCA.** Since the minor waivers must be signed by parents and/or legal guardian and notarized, please contact the Registrar to get these in advance for a smoother registration and check-in experience. **All minor drivers are required to contact SCCA Club Racing for approval at 800-770-2055 prior to registering.** The completed SCCA minor waiver and information must be submitted to the Registrar.

Insurance: Insurance will be provided in at least the minimum amount required by the SCCA for each participant.

Code of Conduct: All participants are responsible for the conduct of their guests and crew. All participants, crew, guests, and officials will adhere to all applicable local, state and federal laws and regulations and will follow all rules and regulations as posted. Consumption of alcoholic beverages by participants, crew, guests and officials is prohibited until after the final checkered flag of the event.

Most Importantly: HAVE FUN AND PLAY SAFE
