

## *Arizona State Land Department Recreational Permit*

Castle Hot Springs Road traverses through several public and private land parcels. Some of these land Trust parcels are managed by the Arizona State Land Department and require a recreational permit to drive upon the subject lands.

The Region inquired about a Group Recreational Permit and was told it takes approximately 9 months for the process to be completed. Therefore, *it is the responsibility of each participant to review the information below and obtain the appropriate permit required for this event.*
