

**T2023-2024 AZ CHALLENGE SERIES**  
**April 13-14, 2024**  
**Arizona Region SCCA**  
**INDE Motorsports Ranch, Course Configuration – 2.70 miles CW**  
**SCCA Sanction Number: 24-TTTA-62866**

---

**Run Group Structure:**

**Novice:** Generally, 0-2 days track experience, or anyone with more experience but not yet as comfortable on track. The session includes a lead-follow familiarization lap in the first session to familiarize yourself with the track/safety protocol and session-by-session instructor meetings to help with questions and feedback throughout the event. Point by passing based on group progression, generally front and back straight.

**Intermediate/Advanced:** Generally, 4-10 days track experience. Point-by passing on all straights.

**Time Trials Timing:**

Since this event is a BYOTD (Bring Your Own Timing Device) it's important to remember that there are no Track Transponders available for rent and you cannot bring your own. That being said, you can use any GPS-based timing device/app

Examples of these include but are not limited to:

- HotLap (Our Personal Favorite)
- Track Addict
- Harry's Laptimer
- SoloStorm
- AiM SOLO
- Garmin Catalyst

Timing & Scoring personnel will check your timer at the end of the 'race' sessions and your fastest time will be scored.

**Time Trials Tech:**

Our tech inspections are known as "self-tech" and is the standard way track day organizers handle inspections today. Essentially you follow a checklist of items to ensure that all requirements are met, and during registration you will certify that your car meets all the requirements.

Tech forms will be available at the event, but you are welcome to print out and fill them out on your own

- [SCCA TT TechForm](#)

Some vehicle tech requirements are as follows:

Convertibles without factory rollover protection must have a rollbar OR a hardtop. ie. Miatas (all generations) need to have either a hardtop or an aftermarket rollbar. S2000s only need the factory rollover protection.

If your car has any of the following features, take your car to Tech for Tech Signoff

- Convertible
- Aftermarket Seat
- Aftermarket Seat Belts/Harnesses

- Roll Bar/Cage
- Non-DOT Windshield

AZSCCA reserves the right to refuse a vehicle to be driven on track, if the vehicle is deemed unsafe and does not follow the safety requirements. Drivers who have a vehicle that is declared unsafe will be issued a refund if their vehicle is unable to pass tech.

### **TIME TRIALS HELMET REQUIREMENTS**

A. Helmets meeting at least one of the following standards must be worn while on track (Note: ECE helmets are no longer allowed as of 2023):

1. All helmets meeting the latest or two immediately preceding Snell Foundation standards (SA2020, M2020, EA2016, SA2015, SA2010, SAH2010, M2015, M2010)
2. SFI standards 31.1, 41.1, 31.1A, 31.2A, 41.1A, 41.2A;
4. FIA standards 8859-2015, 8860-2010, 8860-2004;
5. British spec BS6658-85 type A are acceptable.

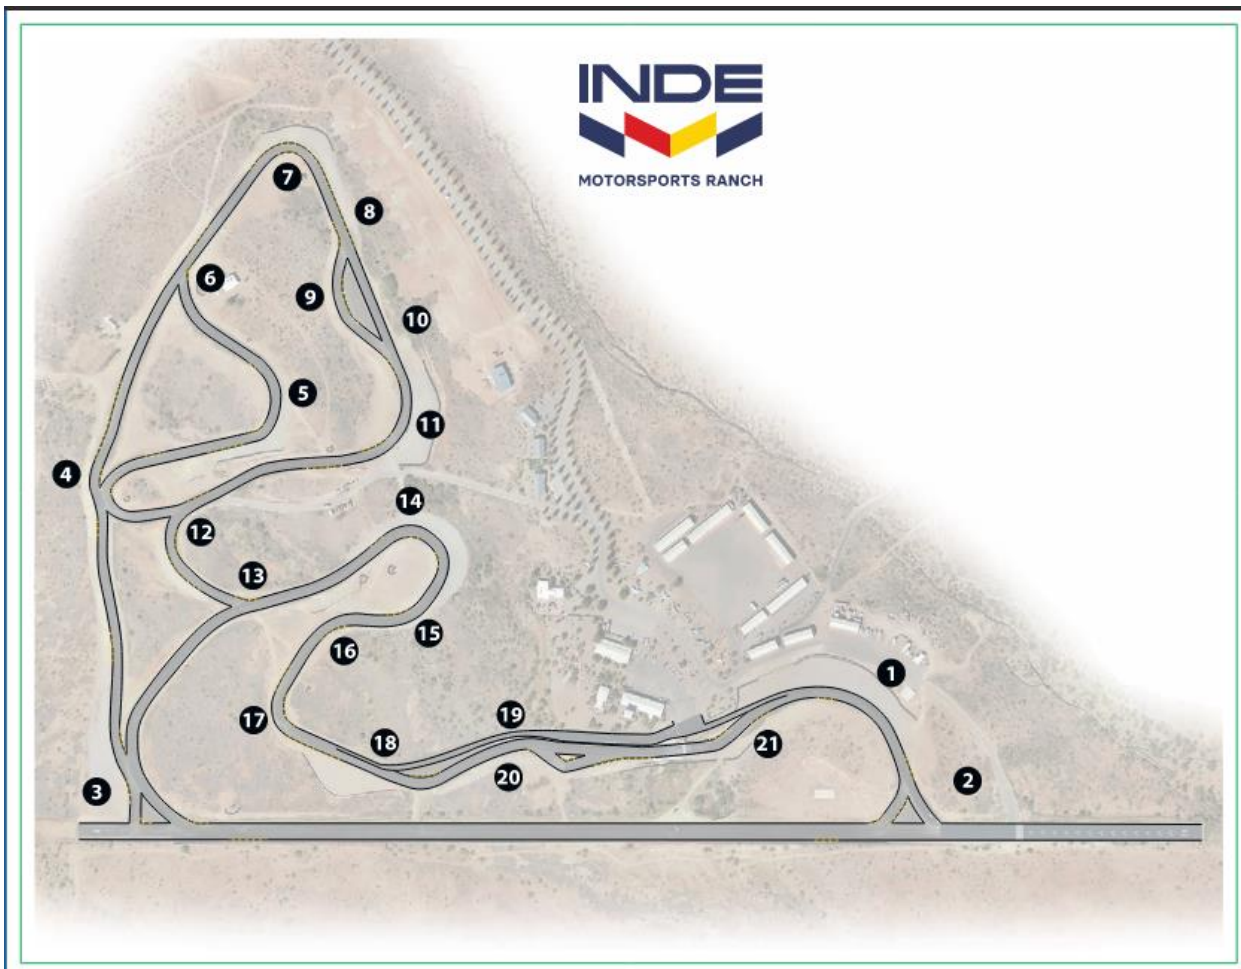

B. Full face shall be worn in an open vehicles without windshields. (e.g. sports racer, exoskeleton kit-cars) Face shield, goggles, or similar face protection (conventional eyeglasses are not sufficient) shall be worn while competing in any other vehicle with less than the standard-size windshield.

For maximum protection, helmets must fit securely and should provide adequate peripheral vision. The chin strap must be securely fastened.

**Passengers... unfortunately NO Passengers for this event.**

**Time Trials Event Fee: Weekend: \$230 Single Day: \$185**

If you choose to not participate in the timed portion of the event, select the **Exhibition** class.
