- B. Cancellations may be made through the Chief Registrar prior to the event. If you are sick, we respectfully ask that you not attend the event. Please contact the Chief Registrar for a full refund.
- C. In the event of mechanical failure, you will be offered a refund or credit only if you have not been on the racing surface. See the Event Lead.
- D. Approved refunds or credits will be issued via MotorsportReg.
- E. Registration check-in will be held in the Registration/Hospitality building in the paddock. All drivers, volunteers, and officials must check-in to receive credentials, even if you have signed an annual SCCA waiver.
- F. Only members who hold a current SCCA membership may be allowed in hot areas. Weekend memberships must be purchased online at <http://coloradoscca.motorsportreg.com> for a fee of \$15.00.
- G. Volunteers for this event should register at: msreg.com/LastChance24. Volunteers can participate in one free TT – any session, commiserate with skill level, during the event as coordinated with their chief of specialty and the TT Event Lead.
 - a. A buffet style lunch will be provided Saturday and Sunday for all volunteers.
 - b. Volunteers are invited to participate in one free TT session on Saturday and Sunday. Sessions should be coordinated with the workers specialty chief and the TT event leader.
 - c. Volunteers will receive a gas card for \$25/weekend.

DRIVER ELEGIBILITY: Participants are required to have a valid driver license and either an Annual or Weekend SCCA membership prior to taking part in the event. Weekend memberships will be available during online registration. Annual memberships can be purchased through www.scca.com.

CAR ELEGIBILITY: A signed TT Tech Form is required before your car can go on track. If you have not already done so, please see the Time Trial Event Lead to have your car inspected during the TT Tech times and location as listed on the schedule. Download the SCCA Tech Form here: <https://timetrials.scca.com/downloads/43136-scca-tt-tech-form-19-2>

MEETINGS: Participants must attend the mandatory Time Trials driver meeting at the time and location listed on the schedule. In addition, drivers will attend a short debrief with the group's Designated Driver Coach after each on track session.

EVENT SCHEDULE / RUN GROUPS: The course configuration for this event will be clockwise. The event schedule is published for planning purposes. Session start times may vary from the published schedule as the event progresses. Run groups may be changed at the discretion of the TT Event Lead. If changes are made, as much notice as possible will be given to all competitors.

TIMING AND SCORING: All cars are required to use fully operational AMB transponders. The driver is responsible for providing correct information during registration. Unless otherwise announced, live timing will be available via the Race Monitor App available for iPhone and Android.

- A. Non-operational transponders or missing transponder information may not be scored for the event.
 - a. A limited number of transponders may be available for rent at the rate of \$30 per day, along with a \$500 retainer on a valid credit card.
 - b. A competitor needing a rental unit should make those arrangements at the time of entry submission.
- B. The clock will continue to run during all flag conditions, except for the red flag.
- C. Personal timing beacons are not allowed within 20 feet of the T & S system, or across track from start/finish.

GRID: Starting positions will be determined by the group's Designated Driver Coach. Drivers are prohibited from scrubbing tires in the paddock, grid, pit out to the course and hot pit lane.

RESULTS & AWARDS: Results and trophies will be available in the hospitality area. Trophies not picked up will be considered forfeited unless prior arrangements have been made with the Event Lead. Only participants with an Annual SCCA membership will be eligible for points towards any Annual Championship Series.

FLAGGING:

- A. GCR 6.1 flag rules apply to all sessions
- B. BLACK FLAG station is at corner station 9
- C. For practice sessions, a CHECKERED FLAG signaling the end of the session may be displayed at BOTH Start/Finish AND Corner 9. Cars receiving the checkered flag at Corner 9 must proceed directly to the pit lane/paddock.
- D. Last lap will be indicated by a waving white flag at start/finish.
- E. HPR lights will be regarded as the equivalent of the respective flags. Lights and flags will be used at this event. However, flags are primary. If you aren't familiar with the lights, please review this video: <https://youtu.be/H-vTeKeoLns>

DISABLED CARS: Disabled or damaged cars may be removed from the course and delivered to a central location. If the car requires wrecker support to return to its paddock location, there may be a delay depending on the availability of wreckers or flat tows.

SOUND CONTROL: A maximum of 103dB is in effect for this event. Sound will be located on the back straight and readings will be posted at Hospitality.
