

Dear Applicant,

Thank you for your interest in the Sasquatch Speed Trials. This year (2024) will be the inaugural event and our team is working very hard to make it a fantastic time. It is no secret that an event like this is dependent upon its volunteers and workers. I am an avid and frequent volunteer for many races and events in the Northwest and have worked events that have made me want to come back and continue my support, and some that have done the opposite. I am working to put together a worker package that will be among the best in the business. Please don't hesitate to reach out with your questions or concerns, I will try my best to facilitate solutions to any inquiry.

We want this race to be a place of celebration and joy, and not of negativity. I have specifically written the rules and waivers with the intention that anyone stepping out of the zone of safety and fun will be strongly discouraged from doing so in the future. I would encourage you to read through the waivers and volunteer guidelines thoroughly. Know going in that the best interests of everyone involved in the event, including yourself, are paramount, and that any incidents will be judged as fairly as humanly possible with the aim that the celebratory atmosphere be maintained. We will need all volunteers to be allies in building an atmosphere of friendship, comradery, and acceptance.

I sincerely appreciate your involvement and look forward to a fantastic event!

Thank you,

A handwritten signature in black ink that reads "Daniel Swartz". The signature is written in a cursive, flowing style.
