

This time, you get to be First. Even before NASCAR gets to time a lap on the new Roval at Charlotte Motor Speedway you get to turn a wheel, set some records and forever say you were there first. August 11-13, 2017 is when you get to break the seal on this new and challenging 2.42 mile course.

There will be Double SARRC and Double SECS races on the schedule so if you haven't earned your way to the Runoffs at Indy, here's your chance to make that dream come true as well. And once again on Saturday night we'll race under the lights. Friday will also feature TT & PDX.
