The 2019 Milwaukee Mile

## Road Race Challenge

is another fabulous venture of the Great Lakes Sport Car Club. C'mon over to the famous **Milwaukee Mile**, the longest-continuously-running racetrack in the country and a staple of the MC schedule in years past!

We're starting off with a half day **open-track test-and-tune** on Saturday morning. The track day is just **\$125**. Saturday afternoon: a championship points Autocross. The Milwaukee Mile Road Racing Challenge Enduro will start at 5:00PM on Saturday, and Sunday will feature championship points wheel-to-wheel sprint races. Please come out to support and celebrate MC's return to its roots by racing, working or both. We want to keep Milwaukee events growing!!!!

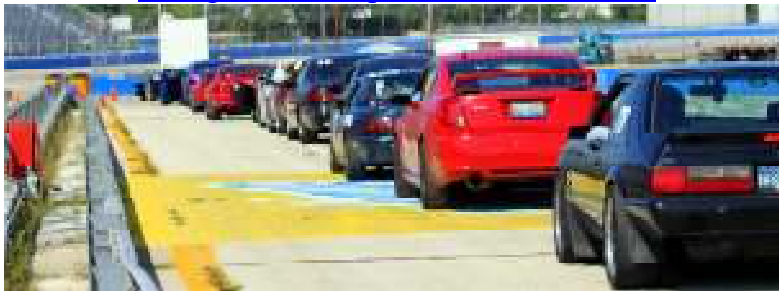

### Highlights of the Weekend:

- ☑ **Friday all day open track test day**
- ☑ **Saturday morning, test & tune**, featuring **one hour** of open track time per group
- ☑ Saturday afternoon, **Midwestern Council High Speed Autocross timed runs**
- ☑ Saturday evening **2.5 Hour Enduro**
- ☑ Sunday, Midwestern Council Championship Wheel-to-Wheel 30 minute sprint races
- ☑ Worker drawings for gas cards. Work a corner the day you're not competing!
- ☑ On-site complimentary breakfast for participants & workers
- ☑ Lunch available on site. Dinner Saturday evening by Chef Paul.
- ☑ Free admission for guests and crew
- ☑ Open parking - plenty of paddock space

Track entry: before 9am enter through gate on east side (back straight) After 9am guest enter through tunnel on west side of track. Registration is in the media center in the infield

## Milwaukee Mile Road Racing Challenge General track Info

---

August 23-25<sup>th</sup>, 2019

### Entry:

On Saturday morning (Only) enter Gate One (1) Greenfield avenue with Truck trailer, Motor home! Cars and small trucks without Trailers may enter Gate (5) 84th street Gate and use Tunnel entrance! Friday evening, and after 2:00 on Saturday use Gate (5) Main gate 84Th Street entrance for the remainder of the weekend, for both entering and exiting the track. Trucks and trailers must use the East crossover entrance due to size limitations of the tunnel entrance. The crossover will be open before and after race hours, overnight and at the lunch hour.

### Park Roads:

All roads in State Fair Park are State roads with full traffic regulations and very strict speed limits enforced by the State Patrol. If you have a pit vehicle or scooter, it may NOT be operated outside the oval unless it is licensed and insured for public roads. Similarly, no competition vehicle may be driven outside the oval unless it is fully street-legal, licensed and insured for street use. We are advised not to expect any leniency on this.

### Camping:

Tent camping is permitted in the south grass infield area near NASCAR Turn 1 and our false grid. However campers will not be allowed in the area when the track is hot. (You'd find it a bit too noisy to sleep in anyway.) RVs may park in the paved infield but space is limited: please be considerate of your fellow racers. Electrical power is available but not waste hookups. Additional RV parking is available for a fee in the North RV Park outside the oval.

### Gasoline:

There is no gasoline available at the track. Unleaded pump gas is available at several nearby stations. 110 octane race gas is available 1 mile south of the track at Shell Mart, 2310 S 76<sup>th</sup> St (at W. Lincoln Ave), Mon-Sat 5:30am-11pm; Sun 7am-10pm, (414) 546-2786.

### Car Numbers:

Race control and timing & scoring are situated high above the track in the control room above the grandstands. If feasible, we encourage and **request that autocrossers place large tape numbers on the roof of your car.**

### Concessions:

A Catering cart will be serving lunch south of the media center on Saturday and Sunday. Numerous fast-food and sit-down restaurants are just outside the track gate. Due to the short hours, workers are provided gourmet box lunches. Dinner and beverages will be provided Saturday evening.

### Pets:

No pets are allowed at the Milwaukee Mile per track regulations.

## Milwaukee Mile Road Racing Challenge **Track Day** INFO

---

August 23<sup>rd</sup>, and 24th

The day is designed for you to learn performance driving techniques in a controlled environment, or to shake down your race car. The day is not racing. The event is open to street and race cars. Competition license is required only in Group 4. Drivers of all skills and abilities are welcome, limited instruction may be available. Drivers will be divided into groups based on experience. Groups will rotate through sessions approx. 20 minutes long.

### **Driver Eligibility:**

Driver must be 18 years old and have a valid state issued driver's license. 16 and 17 years old may participate with a valid driver's license and a Midwestern Council Minor Participation Waiver. License must be presented at Tech. Drivers participating in the comp Group must also present a valid competition license at Tech (MC, SCCA, NASA, etc., see Supps 2.1)

### **Driver Safety:**

Drivers must wear long sleeve and long pants made from natural fibers and closed toe shoes. A Snell Foundation 2010 or newer helmet, M, SA or K rated. Factory installed 3-point belts or higher are required. Roll Bars/Cages are required in open-top vehicles without factory roll-over protection. Some exceptions apply: refer to tech inspectors for details. Drivers & Vehicles in Group 4 must meet safety requirements as specified in the Midwestern Council GCR for wheel to wheel competition.

### **Numbers:**

Car numbers will be assigned on a first to register first assigned basis. MC permanent numbers are NOT honored, but we will honor your number requests as much as possible. Numbers must be on both sides of the car, of contrasting color, at least 6" high, and not made from shoe polish or marker.

### **Run Group:**

We reserve the right to change your run group based on experience and to balance the groups for a safe and fun event. Moving to another run group is only permitted with the approval of the chief steward.

### **Passing:**

Passing will be done with a point by for each car passed. Passing two cars at once is unacceptable. Drivers passing without a point by will be black flagged. First offense you will sit out the rest of the session, second offense you will not be allowed back on track. This is not racing. If a driver is faster than you in the corners, let him pass you in the straights. You may have to lift off the gas to let them pass. Black flags will be issued for not letting faster cornering cars by on the straights.

Passing zones are on the oval's straights for all groups. Pass must be fully completed by turn-in point of the next corner. Group 4, competition licensed drivers, may pass anywhere on track. Point-bys are highly encouraged.

### **Passengers:**

No passengers will be allowed except those designated as an instructor by the chief steward. The only time more than one person is allowed in the car is if one of those people is a designated instructor. Instructors may take students in their car or ride along with students.

### **Instructors:**

Instruction is very limited. Instructors are volunteers from the advanced and competition run group, appointed by the event chief steward. We expect instructors to assist new drivers with learning the line and basic driving technique for a session or two. We respect that our volunteer instructors are at the event for their own track time. A more formal course of instruction is available at Midwestern Council Driver's Schools.

### **On-Track Behavior:**

Front windows must be down. Honor the blend line when entering the track. Watch your mirrors and corner stations. You will be black flagged if you aren't paying attention. Not all corners may be manned. When exiting course, put your left hand in the air to signal you're slowing; move off-line. Exit the track using Pit Row; other exits are for your emergency use only. Off-course excursions will bring you into the pits to chat with the steward. Multiple off-course excursions will end your day. Emergencies on track will result in the session immediately being ended.

### **Flags On-Course:**

Yellow: Stationary or Waving. Incident up ahead. Slow down, no passing until the next manned station.

Black: Driving infraction. Proceed to pit lane immediately.

Blue: Faster car is behind you, let them pass.

Yellow/Red: Debris on the course. Drive with caution, be alert.

Checkered: End of session. Finish your next lap and exit track through pit lane.

## 1. General Event Regulations

- 1.1. This event is sanctioned by the Midwestern Council of Sports Car Clubs, and insurance conforms to MCSCC requirements. This event will be held under the MCSCC General Competition Regulations, Track Regulations and all Supplemental Regulations.
- 1.2. Drivers are responsible for notifying crew and guests of the hours Registration is open. Entry may not be available beyond posted hours.
- 1.3. Minor guests must be under adult supervision at all times.
- 1.4. A slow and safe speed shall be maintained in the paddock at all times. Riding on the exterior of vehicles is prohibited.
- 1.5. No intoxicants may be consumed by drivers, crew or guests before the end of the last race or other on-track activity. There may be General Admission spectators not registered with event sponsors which are not subject to this rule.
- 1.6. No illegal drugs or controlled substance shall be tolerated on the track premises at any time unless prescribed by a doctor.
- 1.7. Any and all protests, questions or complaints against any competitor's car or driving or against any race specialty should be made to the Event Chief Steward or his/her designated assistant as stipulated in the GCR. In no case should complaints be directed to any race worker in any specialty.
- 1.8. All race support vehicles (ATVs, golf carts, etc.) must bear a legible placard with the entrant's car number and class designation.

## 2. Race (Wheel-to-Wheel) Supplemental Regulations

### 2.1. Race Entry & Registration

- 2.1.1. Races are open to drivers holding a valid current MCSCC, SCCA (Pro, Full Competition or Novice with one race signoff minimum), WHRRI, BMWCCA(full), EMRA, CASC, PCA(full), NASA(full), ACC Levels 1 and 2, SVRA, or VMC racing license. Vintage/Historic groups are additionally open to drivers holding valid current SCCA Vintage, HSR or other recognized license or be able to provide proof of participation in events from other Vintage groups
  - 2.1.1.1. Other licenses to be evaluated on an individual basis by the Event Chief Steward in consort with the Competition Licensing Director and Competition Director.
- 2.1.2. 14 thru 17 year olds may compete if they hold a Midwestern Council Minor Participation License or a competition license from a recognized sanctioning body and conform to all procedures required of that license.
  - 2.1.2.1. Persons *who* enter this event with an MCSCC Minor Probation License must personally present his license to the Event Chief Steward accompanied by his attending parent/guardian.
  - 2.1.2.2. If another sanctioning body license is used, the minor driver with the attending

parent/guardian needs to present to the Event Chief Steward a copy of the "MINOR RELEASE OF LIABILITY AND INDEMNITY AGREEMENT" (Minor Waiver) provided to the sanctioning body for the Competition License indicating car number and class in which the minor will be participating. Should this copy not be available, some form of verification of parent or guardianship needs to be available.

2.1.2.3. It is the responsibility of the Minor Participant to personally retrieve his license from the Event Chief Steward accompanied by his attending parent/guardian before leaving the track property.

2.1.2.4. Before the attending parent/guardian leaves the track property, he must report to the event Chief Steward that he is doing so before leaving and again upon his return. The minor participant will NOT be allowed on the race track if the attending parent/guardian is not present.

2.1.3. All drivers must be prepared to show at registration a current approved competition license.

2.1.4. Drivers and cars may enter more than one race group (at additional fee) providing they meet the appropriate class, safety and license requirements. Cars running in multiple race groups must have a tech sticker and display appropriate class designation for each group, and attend Drivers Meetings for each group if separate meetings are held. All cars running UNR are subject to the approval of the Event Chief Steward.

2.2. Race officials reserve the right to alter the schedule or race groups for good and sufficient reason, and to re-assign car numbers where required.

2.3. *[Insert any desired information about entry fee/late entry /freebies/refunds/trophy policy here.]*

### 3. Race Tech & Impound

3.1. To be allowed on track, all cars are to display a sticker issued by the Chief of Tech or his/her designated assistant indicating that, in his/her opinion, the car conforms to all safety regulations and marking requirements as detailed in the MCSCC GCR.

3.2. Drivers whose competition vehicles have logbooks issued by other sanctioning bodies must present all logbooks at any technical inspection.

3.3. All drivers must wear a Snell Foundation approved helmet. Helmets meeting at least Snell SA2010 rating are required.

#### 4. Race Timing & Scoring

4.1.1. AMB TransX 260 transponders are required for all wheel-to-wheel entries. A limited number of transponders will be available for rental. Rental Fee is \$50 for the weekend and requires a \$300 Security Deposit (refundable.) Rental Fee and Deposit requires cash, or two separate checks (no credit cards.) Rentals will be handled at registration. Renters will be notified where to return the transponder and retrieve the deposit. DO NOT take transponders into the building housing Timing and Scoring. Transponders are also available for purchase from MYLAPS Sports Timing at 678-816-4000 or online at [www.mylaps.com](http://www.mylaps.com), as well as from other sources.

4.2. All cars must display registration assigned numbers per the GCR. Failure to conform will result in written/verbal notification by the Stewards. Cars appearing in subsequent sessions without conforming will receive a Black Flag. The car will then be directed to the paddock for repairs. If the second offence is during a qualifying session, no time will be counted prior to the issuance of the Black Flag for a grid position. The car will be allowed to return to the track after repairs have been completed during practice and qualifying sessions. Should a car fail to conform to the GCR number requirements during a race, the car will receive a Black Flag and be directed to the paddock. Drivers are responsible for providing all materials needed to create acceptable numbers.

4.3. Drivers (and co-drivers) must complete 5 verified laps of practice and/or qualifying in order to be eligible for the race, or have permission of the Event Chief Steward.

4.3.1. Grid positions for races will be determined by computerized electronic timing system.

4.3.2. A driver may elect to start from the back of the grid regardless what the best timed lap for the car may be.

#### 4.4. Co-Drivers – (Long Races) [optional]

4.4.1. Co-drivers must complete 25% of race laps to be eligible for full points and trophy.

4.4.2. A driver change slip must be turned in at the head of the pit lane at the beginning of each session and any time a driver change takes place. Procedures will be detailed at the drivers meeting.

4.4.3. Any refueling during the race must be done with the engine off and the driver out of the car. A crew member must stand by with a fire extinguisher provided by the entrant. Pit lane fire extinguishers provided by the facility are

for emergency use ONLY. All crew involved in the refueling must be wearing long pants, long sleeved shirt, closed shoes, a balaclava and eye protection. Any car using an auxiliary fuel tank fitted for this event must be inspected by Tech.

4.4.4. *[(Optional) Qualifying time used for race grid must be that of the driver starting the race.]*

#### 5. Race General

5.1. Safety belts, helmets and all driving gear must be worn during cool off and victory laps.

5.2. All drivers, with their cars, involved in metal to metal contact will be directed to impound immediately upon exiting the track with or without assistance. A Steward will meet them there to inspect the vehicles and collect reports from the drivers involved. The car and driver will remain in impound until released by the Steward. Cars involved in consecutive race groups may be released from impound immediately by the steward, but must return to impound after that session before returning to the Paddock.

5.3. Blocking is defined as making more than one move, left or right, to impede an overtaking car. When reported, the offender will receive a blocking flag from the Starter. The Blocking flag from the starter stand is the display of a waived Blue Flag accompanied by a Ferruled (Closed) Black Flag. If you continue to be reported to be blocking, you will be issued a black flag.

5.4. All MCSCC classes with DOT Tire requirements, excluding classes with spec tires as written in MCSCC GCR, are allowed to use NA Tires Slick tires provided the compound is Medium or harder.

#### 6. Autocross Supplemental Regulations

##### 6.1. Autocross Entry and Registration

6.1.1. Midwestern Council High Speed Autocross events are open to anyone with proof of a valid state driver's license.

6.1.1.1. 16 thru 17 year olds may participate if accompanied by a parent/guardian they turn in to the event Chief Steward a Midwestern Council HSAX Minor Participation Certificate.

6.1.1.2. The minor accompanied by the attending parent/guardian is responsible for picking up the Midwestern Council HSAX Minor Participation Certificate from the event Chief Steward before leaving the facility.

6.1.1.3. The parent/guardian must report to the Event Chief Steward if he intends to leave the track property and upon his return. The minor participant will NOT be allowed on the race track while the parent/guardian is not present.

- 6.1.2. Any car on track during practice sessions or timed runs is to be driven ONLY by the individual registered to that car, number and class. The ONLY exception is a certified instructor teaching a Novice during practice sessions.
- 6.1.3. Only drivers who are Midwestern Council members presenting a Midwestern Council HSAX ID number will be awarded championship points.
- 6.1.4. Autocross officials reserve the right to alter the schedule for good and sufficient reason, and to reject any entry at their discretion. Officials reserve the right to reassign car numbers where required.
- 6.1.5. Drivers competing in a MCSCC High Speed Autocross for the first time must place an "N" on their windshield and attend the Novice meeting (see schedule) and the special Novice practice following.
- 6.1.6. All MCSCC HSAX and HPDE participants are subject to rules and penalties as stated in the MCSCC GCR section 5.5 of the Competition Regulations
- 6.1.7. *[Insert Entry Fee information here]*

## **6.2. Autocross Tech & Safety Regulations**

- 6.2.1. Cars must be generally suited for track use and must pass *High Speed* Autocross Technical Inspection. A neat and clean appearance is required.
- 6.2.2. Car numbers must be at least 6" high and of 1" stroke, and white in color unless the background is white in which case the numbers must be black. Shoe polish is not allowed. Numbers shall be displayed on both sides of the car and at the top corner of the windshield on the side facing T&S without interfering with the driver's ability to see to the front. Car class and practice group number shall be displayed on the windshield also, in a manner not to conflict with the car number. Numbers are the driver's responsibility, and will not be supplied by Tech nor will tech supply materials to create numbers.
- 6.2.3. Seat belts must be in place and used at all times. OEM seat/shoulder belts are acceptable in all classes except those cars requiring a roll bar. Cars requiring a roll bar must have a 4-point (minimum) harness ("Euro Harness" acceptable). Competition belts & harnesses are required in all open cars in any class.
- 6.2.4. Open cars are required to have roll bars meeting Appendix Z or ZZ of MCSCC

General Competition Regulations. Targa and T-Top cars are considered open cars unless tops are installed and locked in place. Roll bars are strongly recommended for all cars.

- 6.2.5. All drivers must wear a Snell Foundation approved helmet. Helmets meeting at least Snell K2010, M2010 or SA2010 rating are required. SA rated helmets are very highly recommended. Loaner helmets are not available.
- 6.2.6. Drivers must wear full coverage shoes, long pants and long sleeved shirts, with sleeves rolled down, when on track. Approved driving suits are highly recommended.
- 6.2.7. Sound control - All cars are required to comply with the decibel limit established by the track (see track regulations). If a car is recorded in excess of the limit during an on track session, the first two times the driver will be notified of the infraction as the car enters the paddock and instructed to make repairs. If the car is subsequently recorded in excess of the limit it will be disqualified from further participation at that event.

## **6.3. Autocross General**

- 6.3.1. Only approved driving instructors may ride in cars on the track. No other passengers will be allowed during practice or timed runs.
- 6.3.2. Passing is allowed only in designated areas which will be defined at the Mandatory Drivers Meeting.
- 6.3.3. If Blue Flagged, on the racing line and allow faster cars to pass.
- 6.3.4. Anyone failing to exit at the designated exit point, to be identified at the Mandatory Drivers Meeting may lose his/her next practice session or timed run.
- 6.3.5. Left and right front door windows must be open whenever the car is on track.
- 6.3.6. Where available, participants in a Midwestern Council HSAX event are prohibited from participating on facilities adjacent to that upon which the MCSCC event is being held. Upon being observed doing so, said competitor will be prohibited from participating in a timed run without first being held by grid for a minimum of five (5) minutes.
- 6.3.7. Timed runs must be completed whenever possible. (Not doing so creates problems for Timing & Scoring.)
- 6.3.8. If a re-run is approved by the Stewards, the car will be held for a five (5) minute period before the re-run will be allowed.

32.3. Driver must be out of the car and the engine turned off before the cell fuel/tank seal may be opened.

32.4. No one may be under the car during refueling.

32.5. One person is REQUIRED over the pit wall for the sole purpose of handling a fire extinguisher and possibly splashing water during or following refueling. This person does not count as one of the five people allowed to do work on the car and is NOT allowed to perform any other work on the car.

32.6. All personnel (including the person with the fire extinguisher) involved in refueling MUST wear eye protection (e.g. goggles), face covering (balaclava and/or full-face helmet with closed face shield), gloves, Nomex or equivalent suit, socks and full coverage shoes,

32.7. During refueling, no work may be performed either inside the driver's compartment or the side/end of the car where refueling is taking place. Work may be performed on the opposite side/end of the car and on the opposite two wheels during refueling.

32.8. Excessive spilling of fuel during a pit stop is prohibited and will be penalized at the discretion of the Chief Steward.

**33. Pit Stop Times:**

33.1. One (1) pit stop, with a minimum five (5) minute duration, is required of all teams. Refueling and/or repairs may take place during this stop.

33.2. All pit stops in which refueling takes place must be a minimum of 180 seconds (3 Minutes) in duration.

33.3. All other pit stops, including driver changes, require NO minimum time.

33.4. Timing begins when the car comes to a complete stop.

**33.5.** It is the responsibility of the teams to determine the elapsed time of any timed stops. Spot checks will be made and penalties will be assessed if discrepancies are observed.

**33.6.** The only exception is, during the last thirty (30) minutes of the race a "splash and go" pit stop will be allowed for fueling with NO minimum pit stop time if the mandatory five (5) minute stop has been served.

**33.6.1.** Driver must be out of the car and the engine turned off and all refueling safety measures listed elsewhere must be adhered to for refueling.

**34. Repair:**

**34.1.1.** Whenever a crew member is working beneath the car, the vehicle MUST be supported by a minimum of two (2) jack stands, with some kind of support under the jack stands to prevent damage to the pavement.

**34.1.2.** Any repairs that require a crew member to get under the car in excess of three (3) minutes must be performed in the paddock, not the pit lane.

**34.1.2.1.** Changing tires, brake pads, or any other repairs that do not require someone to get under the car may be performed in the pit lane.

**35. Pit Signals:**

**35.1.** No one is allowed at the pit wall adjacent to the racing surface during the start of the race.

**35.2.** No more than two (2) team members will be allowed at the pit wall adjacent to the racing surface at any given time.

**35.3.** No umbrellas or chairs are allowed at the pit wall adjacent to the racing surface.

**36. Equipment Staging:**

**36.1.** The staging of equipment (i.e., wheels, jacks, etc.) and/or crew not signaling prior to a pit stop is not allowed on the pit road side of the guard rail until the race car has come to a complete stop.

**36.2.** No materials or equipment may be stored on the pit road side of the grid/pit wall except by express permission of the Pit Marshal.

**37. Clean Up:** All items brought in must be removed. This includes, but not limited to, all construction materials, chairs, tires and liter.
