

Open Kart Event - Tech Inspection

Please fill in all information and print legibly.
If it is illegible, you will be asked to complete again.

Driver: _____ Event Date: _____
 Car Make: _____ Model: _____
 Number: _____ Color: _____

Note: You are self-teching your kart. It is your obligation to physically check every item on this form. This checklist is for your safety and the safety of the others on the track with you and should not be dismissed as a formality. After teching your kart, sign the bottom of the form which indicates that you have, in good faith, checked every item on this form. Please bring this form with you to the track.

	YES	NO		YES	NO
WHEELS and TIRES			STEERING and SUSPENSION

Lines ok?			Full-length pants?		
Pads more than 5mm?					
Rotors ok (no cracks, etc)?					

TECH REQUIREMENTS

1. Personal Safety Equipment
 - A. Head Gear
 - Damage free BSI, ECE-2205, DOT, or SNELL full-face helmet with face shield.
 - Cameras may not be mounted on the helmet or any part of the driver's body. All cameras/recorders must be securely mounted on the top of body or frame, and within the confines of the bodywork.
 - B. Neck Braces
 - Collar-type, unaltered neck braces designed for motorsports use are recommended
 - C. Driver Apparel
 - Jackets made of leather, vinyl, abrasion resistant nylon, or equivalent are recommended.
 - If driver's hair extends appreciably below the helmet, it is mandatory that the driver wear a head sock or balaclava to prevent the driver's hair from extending below the helmet.
 - Loose clothing, bandanas, scarves, hoods, loose belts, etc. are not allowed.
 - The use of flak jackets, or other chest protection devices is strongly recommended in all classes.
2. Kart Requirements
 - A. The kart must be neat in appearance, in good repair, and show quality workmanship.
 - Rear view mirrors are allowed as long as they are mounted to the kart. No hand mounted mirrors allowed.
 - European style clevis snap pins shall be safety wired
