

MASSTUNING TRACKFEST

Thank you for registering for MassTuning TrackFest. This is not a race but a day of educational, high performance driving. There are no timed laps or trophies. We simply have a focus on safety and fun in a legal road course. For this reason all vehicles must be maintained and meet the following guidelines. *Making sure your car is track ready is your responsibility.* Seek assistance if necessary.

Please fill this form and place under the wiper when ready to be inspected at the event.

Year: _____ Make: _____ Model: _____ Color: _____

_____ DOT certified helmet, closed toe shoes and valid driver's license.

_____ Battery must be securely tied down with correct hardware.

_____ Brake lights must be fully operational.

_____ Brake pads and fluid should be track ready. Flush brake fluid if older than two years.

_____ Tires must be in good condition and inflated to proper air pressures.

_____ Lug nuts must all be present and have proper thread engagement.

_____ Steering and suspension components must exhibit no play.

_____ Fluids must be filled to minimum levels and not cause any dripping leaks.

_____ Engine belts and hoses must be in good, working condition.

_____ Seat belts or appropriate aftermarket harnesses must be secured correctly.

_____ Windows must be able to be lowered completely on both sides.

_____ All loose items must be removed from the trunk and interior including floor mats.

I, *(Please Print Clearly)* _____, agree that my car is in good mechanical condition and take full responsibility for the vehicle being driven on a closed road course. I understand this checklist is simply a list of minimum safety standards for driving on a track and that additional insurance can be purchased through agencies such as Hagerty and Lockton Motorsports.

MassTuning does not accept any liability for the results of misconduct – everyone is personally responsible for their own judgment and waives all rights to lay claim resulting from any cause whatsoever either before, during or after this event.
