

# 2024 Supplemental Regulations – January Buttonwillow

Races are held under the **2024 SCCA General Competition Rules** with the following Supplemental Regulations. For Cal Club Racing Championships, the provisions of 2024 GCR will apply and these provisions are incorporated into these Supplemental Regulations as set forth in full.

## EVENT ENTRY:

- **2024 ENTRY FEES:** As each track has unique rental costs, entry fees for 2024 events will be identified both in the MotorsportsReg entry process for each event, as well as displayed on the hard-copy entry form specific for each event (found on Cal Club Web Site ([www.calclub.com](http://www.calclub.com))). Entry fees are heavily influenced by what the track charges for a weekend rental, as well as mandatory SCCA fees for Sanctions, insurance, Tow Funds, and Worker Funds, combined with the general overhead to transport and maintain equipment, and feed volunteer workers.
- **COMPLIANCE FEES:** SRF3 and FE2 will be charged an additional compliance fee of \$30.00 at each Regional and/or Majors and/or Super Tour race weekend. SM has a compliance fee of \$20.00 for Majors and Super Tour events only.
- **RUNOFFS APPEARANCE FUND:** The SCCA National BOD approved a Runoffs Appearance Fund. It's similar to the old Tow Fund and will be collected at all Majors events from Runoffs-eligible classes only. The assessment is \$20 per entry. Runoffs-classes include: AS, B-Spec, EP, F600, FA, FC, FE2, FF, FP, FV, GT1, GT2, GT3, GTL, HP, P1, P2, SM, SMX, SRF3, STL, STU, T1, T2, T3, T4. This fee is included in your event entry fee.

# 2024 Supplemental Regulations – January Buttonwillow

## PIT AND PADDOCK AREA:

- **PARKING/PADDOCKING** is a first-come, first-serve basis here at Buttonwillow. The only “off-limits” areas for parking/paddocking is in the rows next to the hot pit wall that host Grid and Tech. One thing to remember is to keep the paved roadways as open as possible. Tow trucks often have to get disabled cars down the paved roads, so keeping your paddock spot limited to about a car width on the pavement and the rest in the grass/off-pavement areas is preferred. **Garage space** is nice in adverse weather conditions and garages can be reserved from the Track Office via a phone call (661) 764-5333.
- Hot Pits are **RESTRICTED AREAS**. **HOT PASSES** (and SCCA membership) **ARE REQUIRED** and will be checked by grid personnel.
- **Grid and Tech/Impound** are controlled areas; please follow the directions of Race Officials.
- **Grid** is closed to through traffic at all times.
- **Closed-toed shoes** are required on the grid and over the wall on pit lane.
- Unless signaling a car or tending to a car in the **Hot Pits**, all persons must remain behind the pit wall.
- **Smoking is prohibited** in the Hot Pits, Tech/Impound, Grid and all buildings.
- Spectators/participants with “**PADDOCK ONLY**” passes are not allowed over the pit wall at any time. No one may stand or sit on the pit or track walls anytime cars are running, either on the track or within the Hot Pits.

## PREFERRED NUMBERS:

- Every effort will be made to honor Cal Club/Conference Preferred Numbers until 14 days prior to the event. However, due to the make-up of the run groups, this may not be possible in all situations. If two drivers holding the same Preferred Number request that number for the same run group, the number will be assigned to the driver with the earliest request.

## TECHNICAL AND SAFETY INSPECTION:

- **TECH:** Event Tech Stickers will be issued at Registration to pre-registered drivers who bring their logbook with an Annual Tech stamp and have their appropriate logbook page filled out for the event. Drivers without a current Annual Tech stamp must complete the pre-race technical inspection at the appointed location (Tech Trailer) to obtain their Tech Sticker. 2024 Helmet Stickers are required for this event. Driver’s Equipment (including helmets) can be checked in Registration or at Tech.
- **HOURS:** See each event Schedule. \*\*Tech is always closed at lunch.
- **SCALES:** Scales are available when Tech is open. During qualifying and racing, a competitor may request to be weighed when the scales are not being used by the officials.

# 2024 Supplemental Regulations – January Buttonwillow

- **MANDATORY IMPOUND:** All Cal Club events covered by these Supplemental Regulations will have a mandatory impound post each Qualifying and Race session. All cars appearing on track must report directly to the impound area after each qualifying, and race session. Even if your car suffers mechanical issues and you stop early, everyone must go through Impound (Tech) after each Qualifying and/or Race session. Impound will be located in the area of Tech. The Chief Steward will release each group as soon as possible. Those who will be double dipping must notify the Chief of Tech prior to impound to secure an early release to the next event.
- For events allowing Novice Drivers, those Drivers entered under a **NOVICE LICENSE** must display an **"X"** on the back side of their car, physically large enough to be viewable by approaching Drivers. The **"X"** shall remain on the car until the Novice License is upgraded to an approved, full, SCCA Competition License.

## SOUND:

- Sound Control Officials monitor the sound level and log by car number and class during events. Weather readings, temperature, humidity, wind speed and direction are recorded during events where sound readings are being taken. **SOUND READINGS** will be posted on the side of the Tech Trailer when available.

## PACE CAR:

- When a PACE CAR is used, its lights will be turned off to signify the final lap run under yellow. NOTE that the double yellow flags at each flagging station will remain up until the STARTER displays the GREEN FLAG. When NO PACE CAR is used, the double yellow flags will remain up until the STARTER displays the GREEN FLAG. With NO PACE CAR, it is the pole sitter's/Lead Car's responsibility to PACE the field at a steady 40 to 50 mph.
- In addition to GCR 6.6.2., the field shall follow the PACE/SAFETY car as long as its emergency lights are flashing, even if it varies from the normal race course. In the event a full course yellow results in dispatch of the safety car, the safety car will enter the racing surface at pit out.

## DOUBLE DIPPING:

- Double Dipping is defined as running one car and one driver in more than one class and run group. For example, SM can be legal in both SM and STL. One driver in one car running in both groups during one sanctioned event is "double dipping". SM double dipping in more than one group must meet the rules for every group entered (Example STL must meet all the SM rules including weight, tires and the like. Should a SM running STL run anything not legal in SM but legal in STL (tires for example) then the car must meet all of the STL rules, including weight) The goal of double dipping is to provide members an opportunity for more track time at a reduced rate, and does not insure competitiveness.

# 2024 Supplemental Regulations – January Buttonwillow

## PERSONAL TIMING SYSTEMS:

- Trackside triggers/beacons for data logging and lap timing systems shall be located in the designated area provided. This area will be 30 feet each side of the Start/Finish line at all tracks Cal Club holds events on.
- No devices are permitted elsewhere as they disrupt others attempting to get valid times.

## TRANSPONDERS:

- All cars are required to use full operational MyLaps (formerly AMB) transponders.
- **IT IS THE DRIVER'S RESPONSIBILITY TO MAKE SURE HIS/HER TRANSPONDER IS WORKING.**
- Often on small open wheel cars the numbers are simply not visible from the Timing and Scoring tower. It is the racer's responsibility to insure the numbers on his/her race car are sufficiently highlighted and/or of sufficient size to be read visibly by Timing and Scoring personnel.

## RACE GRID:

- Gridding will be based on the best lap of the qualifying session for that day's race. During Majors Weekends, gridding for Saturdays' race will be based on Saturday's Qualifying time. Gridding for Sunday's race will be based on the best Lap from Saturday Qualifying, Saturday's Race, and Sunday Morning's Qualifying. At this time, gridding in this fashion is just for the January and March Majors events.

## RACE LENGTH:

- Race length will be the number of laps or specified times as listed on each Event Schedule. Times on the Schedule are for Off-the-Grid. Race-Clock starts with Green Flag. Note, for US Major's Tour events, Sunday's Races will target a minimum of 45 race miles.
- **TIMED SESSIONS:** The clock will continue to run during all flag conditions with the exception of the red flag.

## CONTACT IMPOUND:

- Reminder: Per GCR Section 6.11.1.E.: If a driver is involved in significant body contact, the driver and car shall stop at the designated incident investigation site (Black Flag/Impound area in Tech) for review of the incident by the stewards before going to their paddock area. The designated incident investigation site shall be identified in the Supplemental Regulations and/or a written driver's meeting. "Significant body contact" includes but is not limited to: contact resulting in 2 or 4 wheels off course, spins, loss of position, or repairs to suspension or bodywork.

## CAL CLUB RACE CLASSES:

- The GCR defines all recognized SCCA car classes within the GCR. Cal Club also has identified “Regional only Classes” and documented their preparation rules. These can be available via the Cal Club office and/or on the Cal Club Web site: [www.calclub.com](http://www.calclub.com).

## DIVISIONAL (SoPac) PATH TO THE RUNOFFS:

- The Majors/ Super Tour path to the Runoffs is well defined in the 2024 GCR, but the Divisional Path is up to each Division. Per the updates of the GCR, Section 3.7.4.A, 2b –
  - b. Performance Requirement: A competitor must finish in the top three positions in his class point standings, except SM and SRF3 where the top five will be invited.
- The SoPac Division of the SCCA is made up of the following Regions: Arizona, Arizona Border, Cal Club, Guam, Hawaii, Big Island of Hawaii, Las Vegas and San Diego. All licensed Club Racing drivers who are active SCCA members in the SoPac Division are eligible to earn points towards the SoPac Divisional Path to the Runoffs.
- Cal Club and SCCA have agreed to count ALL the Cal Club races as Divisional Qualifiers. To meet the **PARTICIPATION** requirement, all you would need is to run a minimum of **4 weekends** in any of the Cal Club races, be it Super Tour, Majors, and/or Divisional. (**Participation** is defined as turning a wheel on the racing surface during the SCCA Sanctioned part of a weekend) – as well as accumulate a minimum of **7 STARTS** (**Start** = taking GREEN FLAG) - bottom line – pick any of the 4 or more Cal Club hosted weekends.
- Points will be accumulated based upon the total number of Cal Club sanctioned races less two races.
- The top 3 point total owners in each Runoffs approved class will be eligible to attend the 2024 Runoffs using the Divisional Path, except for Spec Miata and Spec Racer Ford 3 which will take the top 5 positions.
- All SoPac Division Racing events will count towards the Divisional Path to the Runoffs. (Note - at the current time, only the Cal Club Region is hosting Road Racing events in the SoPac Division. Should other SoPac Regions hold SCCA sanctioned recognized road racing events in 2024, the SoPac Divisional Path as laid out may be updated.
- Points will be the same as the Majors Points system. Points are paid out as follows:  
25, 21, 18, 17, 16, 15, 14, 13, 12, 11, 10, 9, 8, 7, 6, 5, 4, 3, 2, and 1
- No out-of-Division races will be counted.

# 2024 Supplemental Regulations – January Buttonwillow

## DIVISIONAL (SoPac) PATH TO THE RUNOFFS...continued

- Ties in the Division Points standings are resolved based on the driver's record of first place finishes, then second place, then third, as needed. If two or more drivers have identical records they are tied for the position in the standings.

## RESULTS:

- Results can be found at the Question Box at each event or at a specified area for each track, which will be announced in the driver's letter for the specific event. Results will be posted on MyLaps .com and on the Cal Club web site. Additionally any member may request **results be mailed if they make such request to Timing and Scoring after each event.**

## TROPHIES:

- Trophies and other awards shall be given to the top three finishers in each class. All first place finishers will receive a checkered flag. Trophies and awards will be presented in a ceremony at Impound after the race.
