TEST DAY SUPPLEMENTARY REGULATIONS

This event is held under the 2019 General Competition Rules, based on the 2019 GCR and Category Specifications, as published by the Sports Car Club of America, and as amended for 2019 per "FASTTRACK".

Conduct of the test day will be in accordance with the 2019 GCR. The Chief Steward is authorized to make schedule adjustments based on the progression of the event. The Chief Steward will make the final determination as to eligibility and conduct of participants.

Test Day participants participating in the Daytona Double SARRC event will receive their credentials for the entire weekend during test day registration.

Car Groupings for test day may be revised based on early registration received. It is anticipated that the first three sessions for each group will be 25 minutes in duration, with the final session for each group being 20 minutes, unless uncontrollable circumstances dictate changes as decided by the Chief Steward. Time spent cleaning up debris from a session will result in a reduction of time for that group in subsequent sessions.

All sessions will end with a checker flag displayed at turn 6, followed by a black flag at all stations, with the Speedway flashing lights on. Please proceed directly to pit-in. This will allow maximum track time for all competitors. Drivers running the checker will forfeit half of his/her next session. When exiting the track via pit lane, stay within the marked lane that starts at Speedway 4, paralleling the apron until the turn off to pit lane. In pit lane, stay in NASCAR fast lane to the right.
