Dear Instructor,

Thank you for your commitment to instruct at our Windy City BMW High Performance Driving Experience (HPDE) at Autobahn on Saturday and Sunday, May 15 & 16, 2021. Instructor day is May 14th. We will refund your Friday payment if we have to cancel the event due to Covid-19 restrictions by BMW CCA, the track management or a governmental body.

See the driver letter – attached- for the rest of the information on the experience, times, maps, sample waivers, Covid Waiver, car insurance option info, etc.

- Red and yellow groups will have assigned instructors. Green group will be able to choose an instructor, if they wish, from a separate instructor pool.
-

- Because of COVID-19, we will no longer be doing in-car instruction in red/yellow groups. Instead we will use “Lead – Follow”. You will have either a Red or a Yellow driver to teach.
- Please refer to the Lead Follow Webinar at motorsport-safety.org, When you go to the website, click on the menu, then resources, then scroll down to Lead Follow webinar. It will explain the Lead Follow technique, it is just over an hour and worth the time.
- There will be no passengers in cars all weekend, no exceptions.
- Bring / wear your own mask. Bring your own pen for signing waivers and Driver Evaluations.

.

.

At the front gate you must sign the Autobahn liability waiver. At Registration you will sign the one for Windy City BMW and the WC Covid Waiver which sign away your rights and get your wristband. A

copy of our waivers are enclosed, please review them. Registration will be held in the South Tech Barn.

You can do a simple paddock check of your driver's car before the first time out on Saturday morning. Please do this same check on Sunday if you have a Sunday-only driver. If you find any safety issues, let an event Chairperson know.

Miscellaneous
If the COVID-19 situation changes you will need a communicator, please be prepared and bring one.
All instructors must have a full operator's license that is not suspended or revoked. Equal restraints are needed. If you have a harness, then your passenger needs a harness.
Cars must have mufflers in working order to run.

If you cause property damage at the track, you are responsible for the repair cost.

Driver Evaluation Form: One is enclosed to review. Refer to it as you work with your drivers to be sure all points are covered in your instruction. These are the areas of skills we most want to teach. We recommend that after your drivers' last track time you discuss their progress (or lack thereof) during the HPDE. The Committee reviews each evaluation to be able to place the driver in the appropriate run group at their next HPDE. Please let our Chief Instructor know if you instruct a driver who you feel has both the skills and the interest in becoming an instructor. They could be invited to attend a future Instructor Training School to keep our instructor base growing.

Important points:
* Keep a safe distance from the car in front of you except to pass.
* If you or your driver has a 360 degree or more spin or four wheels off the track you must come into the pit area to be checked.
* Racing will NOT be tolerated. ANYONE ENGAGED IN RACING WILL BE EXPELLED, NO EXCEPTIONS, NO REFUNDS.

NO CONVERTIBLES WILL BE ALLOWED ON THE TRACK without a hardtop and SCCA type roll bar/cage

Gasoline & Air: Air and fuel are available at the track (expensive) or 5 miles away at normal pump prices.

Concession Stand: The concession stand will be open each day for lunch or you can go off-site. Your schedule has rest periods to allow time for you to eat. With Covid, the club will not have water coolers on-site, so bring your own water.

If for some reason things change after registering and you are unable to instruct on May 15 & 16, call Randy, 847-274-7129 or you can email at pancanal47@gmail.com **(after May 13, only call)** as soon as possible so the necessary schedule changes can be made.

Saturday Night Dinner: Probably None
