

**VDCA pandemic approach to events / Rules to abide by for our
2020 VDCA races**

Overall –

- **Masks are required at Registration and Tech and when encountering VDCA Staff & Volunteers.**
- All attending should not congregate in large groups and practice social distancing
- Hand sanitizer at Registration and Tech for entrants
- T&S and Stewards room not open for visitors
- Driver's meetings by way of hand out in packet and later by **PA system**
- Text if you are in a racing incident. Face-to-Face meeting (with masks) will be scheduled via text. **Race Director, Mike Jackson**, 561-379-4297.

Registration -

- **You must wear a mask when coming to Registration: bring your mask!**
- When standing in line, observe 6 feet of distance (markings will be placed)
- No gear sales at registration. After end of racing Saturday.
- Will use Individual insurance waiver release sheets
- Box of 100+ pens for registrants, no reuse; keep the pen for yourself
- Hand sanitizer at the windows for entrants
- If requested, hand the arm band to the driver and ask them to put it on
- Questions for **Registrar, Christine Nettleship**, 919-426-6828

Technical Inspection –

- **You must wear a mask when coming to Tech: bring your mask!**
- If entrant refuses to wear a mask then the entrant's arm band will be removed and you will be told to go home.
- Any annual issued in 2019 will be honored unless inspector observes a problem
- Inspector not required to handle any personal gear. If it's all there, it's ok.
- Observe social distancing while inspecting any car.
- Questions for the **Technical Director, Doug Meis**, (for example, about your classing / group / tires, etc.) should be sent via a text message to 336-480-7619.
