

Technical Inspection Form

Driver Name _____

Inspector Initials _____

Car Make _____

Model _____

Year _____

Number _____

Instructions (Read Carefully): It is your sole responsibility to inspect each item on the car as noted below, and perform any necessary repairs *before the event*. Consult a tech inspector or qualified mechanic if there is any question about an item or check procedure, or if you are not qualified to perform this inspection. Have this sheet fully filled out and signed prior to proceeding to tech with your helmet. Ensuring that your car is safe and track ready is your responsibility.

The inspection performed on my helmet is solely for the purpose of verifying the minimum requirements of this event and no representation is made by CAROC / Lotus Corps or their inspectors about the safety or fitness of same for protection while participating in this event. No warranties are expressed or implied in passing or failing this inspection. I hereby release the inspectors and CAROC / Lotus Corps from any and all liability arising from said inspection, whether or not it is due to negligence. I acknowledge that I am at all times solely responsible for the safety and roadworthiness of my vehicle. I further acknowledge that any financial or other restitution for any damage to the track, surroundings, facilities or other vehicles caused by me or my vehicle shall be my sole responsibility. I hereby certify that I am over the age of 18, and that my liability insurance is in full force and effect.

Signature _____
