Or complete paper registration form and bring to the event

On site registration accepted, if spots available (please notify registrar of intent to run ahead of time if possible)

### I. General

This is an easy-to-follow GTA Rally. It is a competitive event run on public roads at posted speed limits, following all traffic laws. Do not violate any traffic laws upon penalty of disqualification. Scoring is based on correctly answering questions and finding clues along the route. Strict adherence to the National Road Rally Rules does not apply. There are no controls on this route. This is a social event and is eligible for points toward Cincinnati Region's championship series.

This rally is open to both SCCA members and non-members (a member discount is offered if at least one competitor is a current SCCA member).

# Great Indiana Pumpkin Road Rally

## October 6, 2018

### General Instructions

#### II. Course

All roads are paved. There are many curves and hills as well as wide open spaces and interesting small towns. Follow the named route, making any necessary turns to follow, until a change in routes is given. Be mindful of patches of rough pavement and potholes. The route goes through several areas of reduced speed limit – please be mindful.

#### III. Signs, Landmarks and Questions

Common definitions of objects apply to questions. Questions are not all quotes from signs.

Questions can only be correctly answered with clues available from the initiation of the preceding instruction and the completion of the following instruction. If you observe more than one potential answer, the first instance is the correct answer. If there is no answer, write in “none”. Blank answers will be scored against you.

Some roads have high speed limits (55). Any questions in these stretches are answerable while maintaining (close to) the prevailing speeds, if you watch carefully. Do not cause a hazard to other drivers in order to get an answer. It is preferable to safely turn around and go back for an answer if desired. You will not complete the rally on time if you spend too much time back tracking.

#### IV. Scoring

You will be given 1 point for each incorrect answer and for each 15 minutes you are past the required finish time. Low score wins. Ties will be broken by the Rally Master by a coin toss, highest card draw, tie breaker question or other method to be determined by the Rally Master. The Rally Master has the final decision in all scoring disputes. Both driver and navigator will be awarded points for their finishing position for the series championship. Refer to “Series Rules” for details.
