|-----------------|-------------------|
| • Exterior      | 30 points maximum |
| • Interior      | 20 points maximum |
| • Trunk         | 10 points maximum |
| • Engine        | 20 points maximum |

With respect to the Concours Group, a maximum of one point per sub-category in each major area may be deducted from the score if, in the opinion of the judges, a part or parts within the area are found to deviate from OEM specifications or have been modified in a non-authentic manner.

**Bonus points are awarded as follows:**

1. One point for every 20,000 odometer miles; up to a maximum of ten points.
2. One point for every ten years of the car's age; up to a maximum of 5 points.
3. Concours cars will also be awarded bonus points.

- **Clean (CL):** Interior & Exterior
- **Super Clean (SC):** Interior, Exterior, Trunk, and Engine Compartment.
