4:30pm Teardown & Cleanup  
5:30pm All Cars/Workers/Trailers/Cones/Garbage OFF RUNWAY  
5:30pm Presentation of Trophies

## NOTES:

1. Expectation of folks in Pre-Grid is to have their cars in the pre-grid area ~15mins prior to the end of the current heats competition runs.
2. Immediately upon completion of the last run in that heat, all cars must head to impound until they are released by the Event Organizer or designate.
3. Cars running in the 4th heat can stay in grid for impound after competition runs finish.
