- Hardship laps will be granted only at the discretion of the Race Director.
- Working AMB compatible transponders are required for all competition sessions at all Midwest Division Club Racing events. If you have a transponder problem, you will be required to report to impound immediately after your session. If your transponder fails to operate properly, your times for that session may not be available from timing and scoring. Drivers may be notified of a transponder problem by a "T" sign from the starter.
- During road course racing, yellow lights on the oval control racing from the exit of turn 7 to the start/finish.
- No refueling in the pits.
- Winners of all races will receive a checkered flag. For Sunday races only, following the cool down lap, the winner of each class should proceed immediately to the middle of the pit lane where they will receive a checkered flag and may proceed on course for a single Victory Lap. Drivers need not wear their helmet or gloves during the victory lap, passengers are permitted in accordance with GCR 6.11.7. Drivers shall maintain a safe speed and be wary of safety vehicles that may be on course.
- GRID: Starting positions for the Saturday race will be determined by the fastest time recorded for during the preceding qualifying session. Starting position for the Sunday qualifying session will be determined by the fastest lap of all previous sessions. Starting positions for the Sunday race will be determined by the fastest time recorded for for the fastest lap of all previous sessions. Cars arriving at the grid after their group has been dispatched on track may, at the discretion of the Operating Steward, be held at pit out and released at the end of the

- Contact: All on track body contact (including contact during drafting) that causes a car to act erratically and results in a change in position or a car leaving the course will be investigated.
- DATA ACQUISITION:** Majors staff and their delegates may install data acquisition equipment in a competitor's car. This program is to assist the CRB in performance balancing. If selected, participation is not optional and may not be protested. The data collected will not be used for compliance purposes.
- "Impound All" will be given at the end of the first Qualifying session for each group to conduct a driver's meeting. Impound will be in the Tech Area. Look for the signs for proper direction.
- QUALIFYING:** A Majors driver not qualifying within a maximum of 115% of the recognized track record of their class must obtain permission from the Race Director in order to race. In the case of unusual circumstances, the Race Director can waive this rule for the entire event.
