August 19, 2022  
Blackhawk Farms Raceway

**The 2022 HPDE Season is sponsored by BMW of Schererville,  
Clearwater Capital Partners, Hagerty Insurance and Big Door Garage  
Suites.**

Dear Driver,

Thank you for registering for the Windy City BMW Club's Blackhawk High Performance Driving Experience (HPDE).

1. There will be combined Solo/Instructor run group(s). Eligibility for this run group will be decided by the Driving Events Committee. These participants will have three open track sessions with unlimited passing zones with all passing requiring a point-by signal. The fourth session will be either an open track or a series of standing start timed laps. The driver must designate which option prior to the HPDE.
2. The other participants will be experienced Windy City BMW autocrossers vetted by the Autocross Chairman. These participants will have three on-track sessions including 3 passing zones with all passing requiring a point-by signal. The fourth session will be a series of timed laps.

**Refund Policy:** If you are unable to attend, notify us as soon as possible. Withdrawals prior to July 28th will receive a 90% refund. Between July 29th and August 12th, a 75% refund. After August 12<sup>th</sup>, a 75% refund ONLY if we can fill your place. Please call Randy Everson (847-274-7129) ASAP and let him know if you are not coming, no matter what date it is. Another driver might be able to attend.

**Car:** It must be in the car you registered in and must be quiet. Convertibles require installed roll over protection and a hardtop, factory bars are not sufficient. If you have a change in cars after registering, notify Randy Everson.

**Insurance Issues:** Please be aware that most insurance companies are adding waivers to their policies that specifically suspend comprehensive coverage for your vehicle if it is used on any closed (i.e. not public) roads. You may or may not want to consult your insurance agent.

HPDE Insurance provides an *à la carte* policy designed to provide affordable physical-damage coverage to vehicles used in BMW CCA high-performance driving HPDEs at race tracks across the United States

An agreed value insurance policy generally provides primary coverage for incidents in the paddock or on the racing surface, whether the vehicle is being driven by the primary driver, co-driver, or instructor. In addition, after-market modifications made to vehicles are also covered, and any HPDE-related claims will not affect a participant's street insurance rates or claims history. Verify any coverage limitations with the policy issuer.

These policies are sold online and can be obtained in as little as five or ten minutes. See the links below for more information.

**Technical Inspection:** The form is attached. You must present the signed/certified tech inspection sheet at registration on the day of the event. You must sign the form as participant.

Your car must pass inspection before coming to the event. There will be NO onsite inspections. There will be NO Chapter pre-tech event. Your vehicle's status is also subject to review by the event Tech Steward if questionable conditions are noted. No refunds are given if unsafe vehicles are brought to the event.

The technical inspection is for your safety and the safety of others on the track with you. As this is a BMW CCA national requirement THERE ARE NO EXCEPTIONS TO THIS RULE.

**Brakes:** It is highly recommended that all cars start with fresh brake fluid and new front pads. You are recommended to bring one extra set of front pads per driver. It wouldn't hurt to have a new quart of brake fluid (dot 4) with you.

**Helmet:** Must be Snell or SFI 2015 or newer. Please bring your helmet to the track registration to get the helmet teched if you don't already have a yellow or green Windy City BMW inspection sticker from a prior event.

**Registration from 7:00 AM till 7:30 AM.** At the front gate you must sign two liability waivers, one for Blackhawk and one for Windy City BMW. Depending on circumstances, you will also sign the Covid Waiver. A copy of all our waivers are enclosed, please review them. You must go to the registration building outside the main gate to complete registration and receive your participant packet. After registering, unload your car and affix your participant number to the windshield.

**Drivers Meetings** will begin at **8:00 AM** near the **Pavilion**. This is the most important safety meeting of the day and is MANDATORY for everyone.

**Parking at Blackhawk:** Park anywhere within the paddock area except in front of the Ambulance or the Concession Building. If Covid is still an issue, leave a car's width between your car and your neighbor's.

### **High Performance Driving Manual:**

- To get more information about high performance driving techniques, you should print a driver's manual from the web at: [https://windycitybmw.org/wp-content/uploads/Driving\\_Schools/DrivingSchoolManual.pdf](https://windycitybmw.org/wp-content/uploads/Driving_Schools/DrivingSchoolManual.pdf)

Please carefully study the driver's manual before the event. If you have attended one of the club's previous events, we suggest that you review the manual.

### **INSURANCE REGULATIONS:**

Racing will NOT be tolerated. ANYONE ENGAGED IN RACING WILL BE EXPELLED, NO EXCEPTIONS, NO REFUNDS.

**Covid Etiquette:** Given the fluid conditions around Covid, bring a mask. Hopefully we won't need it but it's too far in the future to know for sure.

**HPDE Etiquette:** Use a 2' x 2' x 1/2" piece of wood to prevent damage to the pavement surface if you plan to jack up a car. Always have a container to drain fluids into, and never drain directly onto the pavement. At day's end, always take a second look at the area you used for parking and be sure it looks like it did when you arrived, no garbage, no car parts, no fluids or holes in the surface. Always use chocks/ jack stands to stabilize your vehicle when working on/under it. You are responsible for all damage that you cause to the pavement.

**Track Familiarization:** At the beginning of the day, there will be track familiarization for those drivers who have not been to Blackhawk before. This is just touring, and no helmets are required. Maximum speed is 50 and there is no passing.

**Car Review:** At home before the experience, go through your car and empty out unnecessary items from the trunk and passenger compartment. At the track, unload your car trunk, interior, etc. before the drivers meeting. There should be no loose items in the interior or in the trunk (don't forget to remove loose objects from under the seat). Glove boxes should be emptied as well as CD player, loose cell phone, I-Pass, etc. Remove floor mats and center caps/wheel covers. Tape over any glass head lights and fog lights. (If you drive a car which has Lexan headlight covers, you do not have to tape the covers).

**Weather:** Who knows about the weather? Please come prepared for the worst. Try to pack your things (rain gear, clothes, spare parts, etc.) in waterproof containers (like Rubbermaid Roughnecks) or bring a tarp or big plastic bags because your car will be unpacked in whatever the weather.

**Gasoline & Air:** Air and fuel (expensive) are available at the track or 20 minutes away.

**Concession Stand:** The concession stand will be open at 7:00 AM for coffee and breakfast. You will also be able to buy your lunch. The food is really good. Your schedule has rest periods to allow time for you to eat.

**Paddock:** The paddock (parking) area has very limited shade. Bring skin protection and a canopy, if you have one.

**RELAX AND ENJOY.** Windy City BMW has a lot of experience putting on high performance driving experiences. If you have any questions, please feel free to call one of the committee members. We are looking forward to seeing you at Blackhawk Farms Raceway on August 19<sup>th</sup>.

# FLAGS

Every flag has a very specific instruction that must be followed by all drivers.

**Green Flag:** When first shown at the start-finish line, it indicates a clear track.

**Yellow Flag – Motionless:** Be prepared to slow down. There is a dangerous condition on the course. The driver approaching the yellow flag is NOT TO PASS until he is past the next manned station without a yellow flag.

**Yellow Flag - Waving:** Slow Down and be prepared to Stop. There is a serious or hazardous condition on the track directly in front of you. The NO PASSING rule is in effect.

**Yellow with Vertical Red Stripes:** This is a surface condition flag. Take Care. Oil has been spilled or a slippery condition exists, or debris is present on the track. This flag is displayed standing. The flag will be displayed for 3 laps and then not shown. This does not mean the surface has improved, the driver must stay vigilant to surface conditions.

**Red Flag:** Upon first seeing the RED FLAG, you MUST STOP in safe and controlled manner and pull to the edge of the pavement at the next manned corner worker station. Wait for further instructions from the manned corner worker station.

**Blue Flag with Yellow Stripe:** Check your mirrors as another driver is approaching for a possible pass.

**White Flag:** There is an emergency vehicle or slow-moving car on the track.

**Black Flag:** The driver receiving the black flag is to complete the lap he is on and proceed to the grid for discussion of an infraction (possible mechanical problem or other reason).

**Checkered Flag:** The session is over. It does not mean brake. Continue your lap cautiously (cool down).

This is a non-timed/speed event.
