- To maintain safe aisle widths, combined length of motorhomes and trailers is limited to 60 ft in much of the paddock.
- If your rig exceeds 60 ft, you will be parked in one of the 80 ft rows that can accommodate your rig and you will be limited to a 15 ft wide stall.
- If you want a tent or canopy, it will have to be erected behind/in-line with the trailer as there will not be enough width to erect side by side. Support vehicles must also stay with the assigned footprint or be parked in the grass lot outside the paddock.
