

SPECIAL EVENT

LADIES FIRST.

AUTOCROSS SCHOOL / 2025

Autocross is for Everyone.

The **Ladies First Autocross School 2025** provides a unique opportunity exclusively for women, aiming to create a supportive atmosphere for exploring performance driving in a traditionally male-dominated sport. By offering a safe and inclusive space, we hope to encourage more individuals to pursue their dreams or curiosities and embrace the exhilaration of auto racing!

Participants of all skill levels are welcome, from beginners looking to learn the basics of performance driving to experienced racers seeking to refine their techniques. The school features top instructors, led by our own SCCA National Champions, Briget Sawatsky and Emily Janzen, who will provide comprehensive training on various aspects of racing, including car control, race line optimization, and advanced driving techniques—all in your own car.

A key aspect of the Ladies First Autocross School is the focus on empowerment and community support. We firmly believe that fostering a sense of camaraderie and providing a network of like-minded individuals is essential to the success of our participants. Throughout the event, drivers will have the opportunity to connect with fellow racers, share experiences, and build relationships that extend beyond the track.

What if you don't currently have a car? McPhillips Toyota and Level Up Auto will be generously donating three automatic cars to use for the school! Let us know if you'd like to participate in one of these seats so we can plan accordingly. Space is limited!

For additional info, please click the [Have Questions?](#) or [Contact](#) buttons on the event registration page, or send us a direct message on **Instagram** or **Facebook** to connect. Lunch details to come.
