**TIME TRIALS REGISTRATION:** Use this Link for registration and to view attached supplemental regulations for TT: <http://msreg.com/HomeOfHeroes-TT>

**DRIVER ELIGIBILITY:** Drivers must be a current SCCA member with a current Full SCCA Competition License to participate in the Majors portion of this event. Additional licenses accepted for the Regional portion of the event include an SCCA Pro License, SCCA Novice Permit, or any organization's license that is currently approved by SCCA for competition as listed in the GCR, Appendix C, 2.8.B (pages 114 & 115). [Download GCR](#). Proper credentials must be presented at check-in.

**CAR ELIGIBILITY:** This competition is open to all cars conforming to the GCR, as amended.

- A. The Majors portion of the event is open to all Runoffs-eligible classes, GTX, and PX.
- B. Colorado Region also recognizes Regional and Spec Classes specific to the Rocky Mountain Division as follows: Club Ford (CF), Club Formula Continental (CC), Club Vee (CV), ITE Everything (ITE-0, ITE-U), Spec RX-7 (S7), Spec 7 with 13B (Pro 7), Spec 944 (S944), Spec

E30 (SE30), Spec M3, Regional Formula F (RF), and Regional Spec Miata (RSM). Class rules and information for these classes can be found at <http://www.coloradoscca.org/rulesforms.php>

**PREFERRED NUMBERS:** Majors Conference Preferred Numbers will be honored until 14 days prior to the event. If two drivers holding the same Preferred Number request that number for the same run group, the number will be assigned to the driver with the earliest request. In all regional and/or vintage classes, preference will be given to numbers assigned through the Rocky Mountain Division numbering program. Unreserved numbers are on a first-come, first-served basis. All numbering assignments are subject to race group configurations.

**TECH:** Tech inspection hours are posted on the event schedule.

- A. Express Tech is available for drivers with both a current annual tech and a current year helmet sticker. Drivers should bring their vehicle logbook and registration credential to get their event stickers.
- B. Drivers without a current year helmet sticker must present all driver gear as required by the GCR, vehicle logbook, and registration credential to Tech. If your car requires an annual tech, you must also bring the car to tech. An event tech sticker will be issued after everything is examined and approved.
- C. The order of inspection at the track will be:
  1. Express Tech
  2. Re-inspection, logbook notation
  3. Annual inspection
  4. Cars with no logbook (new or lost logbooks)
- D. Competitors needing Annual inspections or New Logbooks must make prior arrangements with the Chief of Tech to have these items performed by tech personnel at the track.

**SPEC MIATA COMPLIANCE:** At post-race inspection, Spec Miata participants may be directed by the designated Class Compliance Chief (CCC) to remove parts, including but not limited to the cylinder head, for disassembly and/or inspection. Competitors are responsible for performing required disassembly and/or reassembly, as well as any resulting expenses incurred. The CCC will report any findings of non-compliance to the Race Director, who will then determine the need for a Chief Steward's Action (CSA) or Request for Action (RFA).

**SCALES:** Scales will be available each day from 8:00am until the end of competition, except during impound. Driving on or off the scales is prohibited unless otherwise instructed by Tech personnel. Motors must be turned off and competitors and/or crew must push cars on and off scales.

**EVENT SCHEDULE / RUN GROUPS:** The event schedule, configuration, or run groups may be changed at the discretion of the Race Director, in cooperation with the Region's representative. If changes are made, as much notice as possible will be given to all competitors. Schedule times are provided for planning purposes and are approximate. The PA system may be difficult to hear in some areas of the paddock, so please monitor the PA system and pay attention to what is happening on track.

- A. Practice sessions, if any, will be untimed.
- B. Saturday Majors Races will be timed. Sunday Majors races will be 20 laps or 35 minutes, whichever comes first.
- C. Regional races will be timed.
- D. The official clock starts with cars on course, per the session start times indicated on the schedule.

**TIMING AND SCORING:** All cars are required to use fully operational AMB transponders, and the driver is responsible for providing correct information during registration. Unless otherwise announced, live timing will be available via the Race Monitor App available for iPhone and Android.

- A. Non-operational transponders or missing transponder information may not be scored for the event.
  - a. A limited number of transponders may be available for rent at the rate of \$30.00 per day, along with a \$500 retainer on a valid credit card.
  - b. A competitor needing a rental unit should make those arrangements at the time of entry submission.
- B. The clock will continue to run during all flag conditions, except for the red flag.
- C. Personal timing beacons are not allowed within 20 feet of the T & S system, or across track from start/finish.

**GRID:** Starting positions for the first race each day will be determined by the fastest time recorded for each car during the preceding qualifying session. Starting positions for the Sunday race will be determined by the fastest time recorded for each car during any of the preceding qualifying session(s) or the fastest lap during the Saturday race. Cars arriving at the grid after their group has been dispatched on track may, at the discretion of the Operating Steward, be held at pit out and released at the end of the pack after the field has completed the pace lap.

- A. Crew / Guests must leave the grid at the one-minute warning.
- B. Drivers are prohibited from scrubbing tires in the paddock, grid, pit out and hot pit lane.

**SPLIT STARTS:** The Race Director or Chief Steward will consider requests for split starts and may authorize such based on qualifying times.

**IMPOUND:** The top three competitors in each class shall report to impound immediately following the completion of their race. Trophy presentations and photos will occur in the Victory Circle area near impound following the race. All other competitors are strongly encouraged to attend the podium festivities following their race.

#### **DESIGNATED INCIDENT INVESTIGATION SITE**

- A. If a driver is involved in significant body contact, the driver and car shall stop at the designated incident investigation site located just before the Tech area for review of the incident by the stewards before going to their paddock area.
- B. "Significant body contact" includes but is not limited to: Contact resulting in 2 or 4 wheels off course, spins, loss of position, or repairs to suspension or bodywork.

#### **VICTORY LAPS:**

- A. Winners of Majors races will be awarded a checkered flag for Sunday's Race.
- B. Following the cool down lap, designated winners will receive a flag and be directed on course for a single Victory Lap.

**RESULTS:** Qualifying, provisional, and final results will be posted at Registration / Hospitality. Additionally, final results will be posted to the Colorado Region, Continental Divide Region, and SCCA Majors websites no later than 7 days following the completion of the event.

**AWARDS:** Trophies for all races will be awarded in accordance with the GCR. Trophies will be presented at the event. Majors points will be awarded for all races in accordance with the GCR. Regional points will be awarded per the Rocky Mountain Division Championship rules.

**FLAGGING:** GCR 6.1.1 flag rules apply to all sessions

- A. BLACK FLAG station is at corner station 8
- B. For practice sessions, a CHECKERED FLAG signaling the end of the session may be displayed at BOTH Start/Finish AND Corner 8. Cars receiving the Checkered Flag at Corner 8 must proceed directly to the pit lane/paddock
- C. Last lap may be a waiving white flag or "1 to go" sign at start/finish.

**PACE / SAFETY CAR:** In addition to GCR 6.6.2., the field shall follow the PACE/SAFETY car as long as its emergency lights are flashing, even if it varies from the normal race course. In the event a full course yellow results in dispatch of the safety car, the safety car will enter the racing surface at pit out.

**DISABLED CARS:** Disabled or damaged cars may be removed from the course and delivered to a central location. If the car has sustained body/chassis damage it will be taken to impound and will be released to the driver/crew after tech has made appropriate notations in the vehicle log book. Cars disabled due to a mechanical failure will be released to the driver/crew immediately. If the car requires wrecker support to return to its paddock location, there may be a delay depending on the availability of wreckers or flat tows.

**SOUND CONTROL:** A maximum limit of 103dB is in effect for this event. Sound control will be located at turn 8. Sound readings will be posted at Hospitality.

**RADIO FREQUENCIES:** The region frequencies below shall not be used for communications by any participant.
