

Mount Wilson Observatory Drive and Picnic

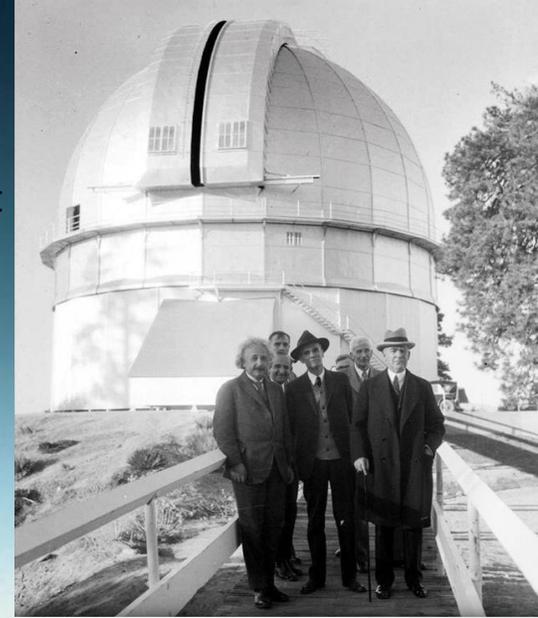

The drive to Mount Wilson is sure to provide fresh mountain air, fun twisty road, and a chance to visit a historic astronomical facility nestled in the Angeles National Forest.

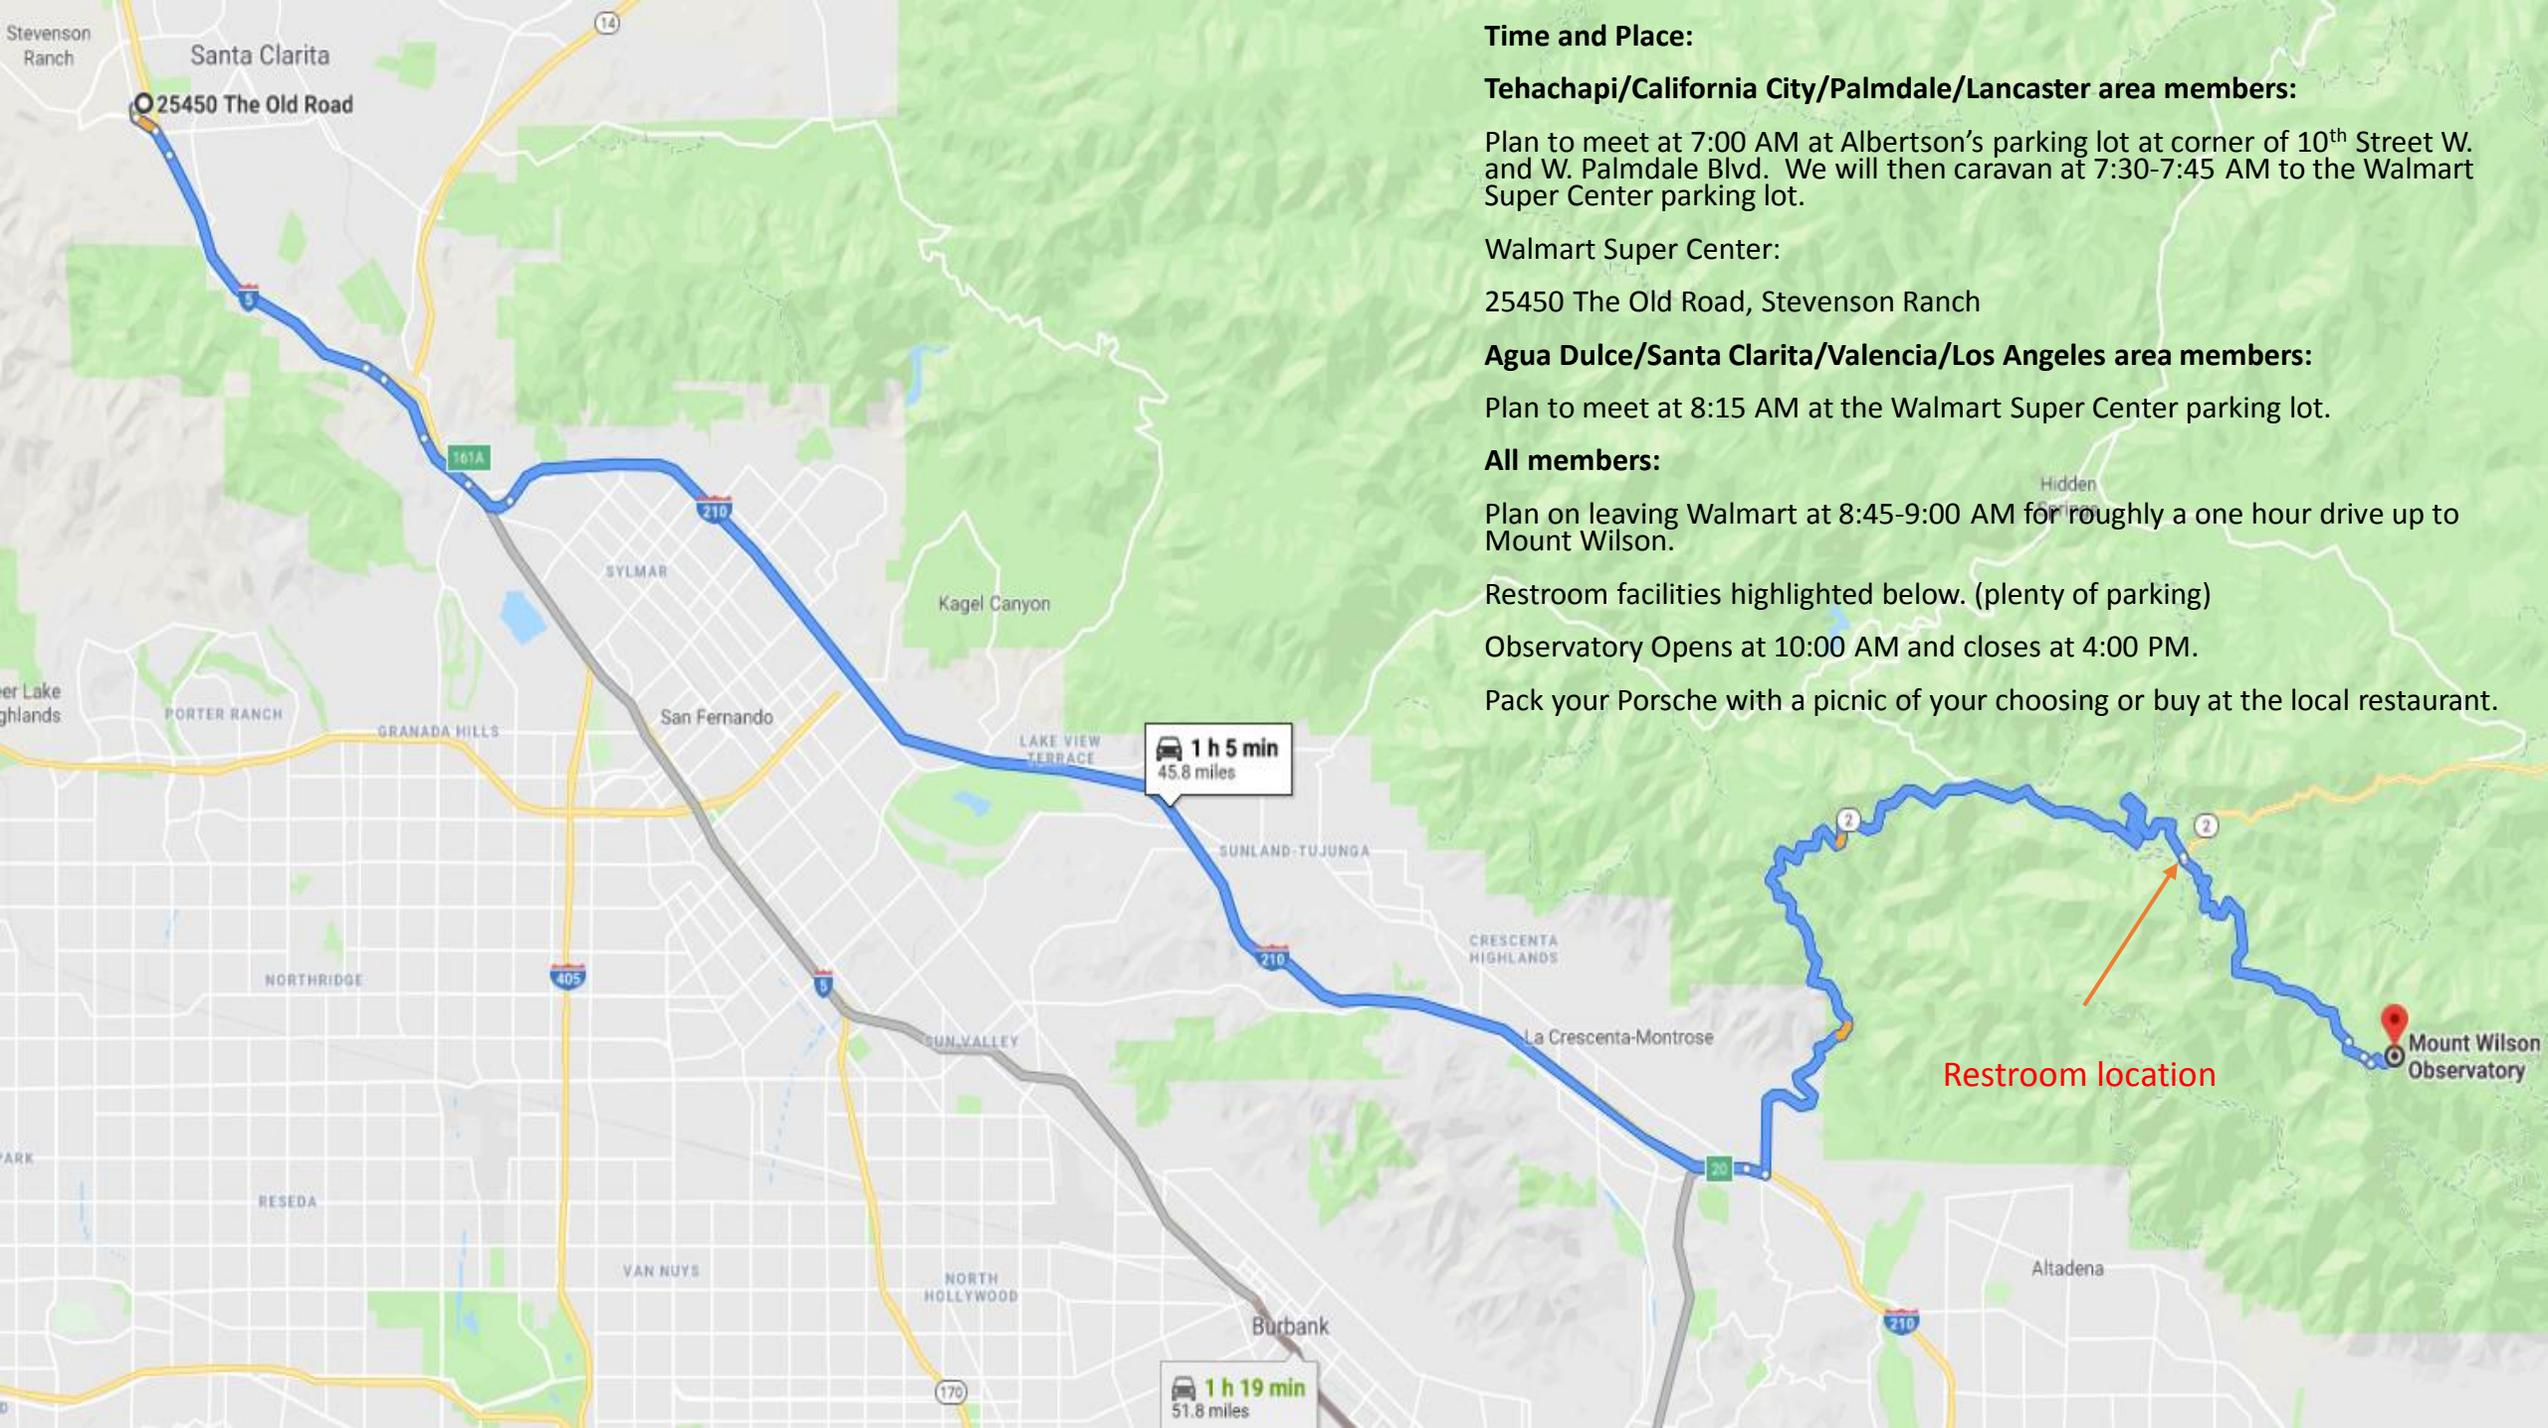

We are fortunate to have a JPL/NASA veteran in our club to provide us with an informal tour of the facility! Plan to pack your picnic lunch and sit under trees with your Porsche friends.

There is a restaurant at the location for those that do not prefer to picnic.

[Cosmic Cafe](#)

When: Saturday June 29th, 2019

Time and Place:

Tehachapi/California City/Palmdale/Lancaster area members:

Plan to meet at 7:00 AM at Albertson's parking lot at corner of 10th Street W. and W. Palmdale Blvd. We will then caravan at 7:30-7:45 AM to the Walmart Super Center parking lot.
