Supplementary Regulations – Version 2.4 June 11, 2018

1. 2018 WCKC

The 2018 WCKC (the “Series”) is organized by the WCKC Directors (“WCKC”).

The Series primary purpose is to encourage fun participation, under a format that is intended to minimize time and cost commitments for competitors, while still offering a strong prize package.

Event Managers: Blake Choquer, Scott Sinclair and Scott Campbell

2. Sanctioning

The Event is sanctioned by ASN Canada FIA.

3. Event Inquiries

Contact Person	Phone	Email
Blake Choquer	604-783-6474	blakechoquer@mac.com
Scott Sinclair	780-417-0174	skzmotorsports@hotmail.com
Scott Campbell	306-261-5014	scottcampbellracing@outlook.com

4. Event Date

The Event will take place Friday, July 6 to Sunday, July 8, 2018.

The track will be closed to all kart traffic starting Monday July 2, 2018 at 8am and will reopen at the first practice of the event.

Refer to Event Schedule in Section 38 for details.

5. The Track

The Event will be held at the Martensville Speedway, located in Martensville, Saskatchewan, approximately 15 minutes north of Saskatoon.

The track has 13 turns and is 892 metres in length. The track will be run in a counter clockwise direction.

Directions:

Head north on highway 12 from Saskatoon. Once arrived at Martensville, SK continue to the main entrance of the city. Then turn left (north) on Centennial Drive. Continue down until you turn right (east) on 9th Street N. Continue down the street and arrive at the track.

GPS Coordinates: 52 18'07.4"N 106 38'55.2"W

CKRC website www.saskatoonkartracers.com.

6. Driver, Team and Parental Sportsmanship Theme

All participants, including entrants, drivers, crew members and parents/guardians shall conduct themselves according to the highest standards of behavior and sportsmanship, particularly in relations with other competitors, officials, sponsors and their products, and in a manner that shall not be prejudicial to the reputation of the Event, ASN, promoters, sponsors, organizers, or to kart sport in general.

Sportsmanship means any person's conduct and behavior while participating in a sport. Examples are fairness, respect for one's opponent, and graciousness in winning or losing.

Any abuse of officials or other participants will not be tolerated. Entrants, drivers and parents/guardians are responsible at all times for the conduct of their driver, crewmembers and guests. Any violation of this regulation is directly chargeable to the entrant and/or driver.

Yelling, shouting, physical altercations, bullying, intimidation either directly at an event or on internet social network programs are considered violations of this regulation. Violation of this regulation can result in penalties including loss of Event Awards, driving privilege suspension, monetary fine, exclusion from a track session and/or the Event.

7. Facility Quiet Hours

It is not permitted to run engines or to create any loud noise, including music from any source, from 8:00pm to 8:00am, except for on-track sessions per the Event Schedule, or other specific purposes planned by the Event Organizers. Noise Limit is 87dba at the North fence line. Complete curfew applies at 10:00 pm. Failure to respect the facility quiet hours will result in penalty.

8. Camping and Accommodations

RV Parking is available at the track in designated areas. Racers wishing to bring an RV are encouraged to contact the info@saskatoonkartracers prior to the event for the latest conditions and availability. There are no hook ups.

The nearest hotel accommodations are located in Martensville and Warman, Saskatchewan. The organizers have arranged official Event hotels. They are the Canalta Hotel on Centennial Drive in Martensville 1(306)249-2555 and the Days Inn in Warman 1(306)477-3297. Contact the hotel and reference the Western Canadian Karting Championship event to get the discount.

Supplementary Regulations – Version 2.4 June 11, 2018

19. Rotax Micro MAX and Rotax Mini MAX

The following Gear Ratio specifications are mandatory:

Rotax Micro MAX: Front sprocket: 14 with Rear sprocket: 73

Rotax Mini MAX: Open Gearing

20. Paddock Spaces

Paddock space is included in the Entry Fees.

Competitors must indicate in the registration form the dimension of his equipment or indicate if they will share pit/tent space with others. Please note that due to the expected number of entries that the Event Organizers may be required to limit the amount of paddock space allocated to any competitor and/or team. Accordingly, you are asked to be considerate of the amount of space you are requesting in order to facilitate all entrants.

Email info@saskatoonkartracers.com to book a spot.

Access to the facility will be available from 8:00 am on Thursday, July 5 to move in and setup. Requests for earlier access should be indicated on the registration form.

Paddock hours will be from 7:00 am to 10:00 pm.

Absolutely no tow vehicles will be permitted within the paddock. After the trailer is parked, the tow vehicle must be removed from the paddock and parked in designated areas in the field to the south of the paddock area.

Competitors are responsible for the cleanliness of their paddock area, and all waste should be placed in designated containers. The waste oil and fuel is not to be left at the facility. Failure to respect this rule may subject the competitor to a penalty.

21. Restricted Areas

The racetrack infield, the perimeter of the track, the Pit Lane, Pre-Grid, Grid, Scale Area and Technical Inspection areas are restricted areas.

Access to the Grid and Pit Lane is available only to participants when their class is running. One crew member with a Mechanic's Pass is allowed on the Grid with each entry.

A Hot Pit will not be used during practice, qualification sessions or races.

Holders of Passes including team members and guests are entitled free access to the paddock and spectator areas only.

22. Quiet Rule

Competitors are asked to observe the Quiet Rule for all classes for the entire event from after qualifying each day.

You may start and run your engine for one 10 second period (absolutely no rev-ups) on the pre-grid area prior to an on-track session. The Event Schedule may designate periods of silence when engines cannot be run at all. On the starting grid engines may be started and run when the official gives the 1-minute signal when karts are on the ground.

PIT ENGINE WARM UP: Engines can be started or run in the Paddock, for a maximum period of 1 minute at very low RPM to allow for proper warm up. Use common sense here please.

At the Race Director's discretion, the Race Director may Enforce a Quiet Rule by announcement to the competitors.

The Quiet Rule applies for the entire Event. Non-respect of this quiet rule from the competitor and/or team members may result in penalty.

23. Driver Briefings

Drivers must attend the driver briefing on any day when they are required to be on the racetrack. A presence control or role call may occur. The minimum fine for being late or missing the Driver Briefing is \$20.00.

24. Number of Karts on the Race Track

ASN Canadian Karting Regulations Book 1, Regulation 10.3.

A maximum of 34 karts will be allowed to start in any on-track session. The Event Organizers may alter the maximum number.

25. Procedure from Qualifying Session to Final Race – Maximum 34 Karts

All Classes

Qualifying:

A 6 minute Qualifying session will determine the starting grid for the Prefinal. This will be directed by the grid Marshall in an order deemed appropriate and fair.

Any time a kart exits the track, it must cross the scales to ensure minimum weight is met at all times. Failure to do so will result in a DQ for the qualifying session.

In the event of a tie in Qualifying, the participant who set the time first will be deemed to have qualified ahead of the other participant.

Supplementary Regulations – Version 2.4 June 11, 2018

Prefinal:

The starting grid for the Prefinal will be the order of Qualifying.

The finishing position in the Prefinal will determine the starting grid for the Final.

Final:

The finishing position from the Prefinal will determine the starting grid of the Final race.

The results of Final will be for the podium trophies at the event.

26. Procedure from Qualifying Session to Final Race – More than 34 Karts

In the case of a class having more than 34 entries, the Event Organizers will have the discretion to adjust the format in whatever manner is deemed appropriate, using the following format as a guideline, with details provided prior to the beginning of qualifying.

Drivers may be split into groups for Heat Races, with 1st, 4th, 7th etc. being assigned to Group A; 2nd, 5th, 8th etc. to Group B; 3rd, 6th, 9th, etc. to Group C. Heat Races would be run as A vs. B; B vs. C; A vs C, with Group A racers having the pole position lane for all Heat grids, Group C racers having the alternate lane for all Heat grids, and Group B racers alternating depending on which Group they are competing against.

The top 28 drivers in the standings after the heat races will then move directly to the pre-final race. Others will have to race in a Second Chance race. Top 8 of the Second Chance Race will move to the prefinal race. Drivers from position 9 and over in the Second Chance race will be eliminated.

If a qualified driver cannot compete in the Pre-Final, the next qualified finisher(s) from the Second Chance race will be invited to race in the Pre-Final based on their order of finish. Two replacement drivers are allowed to participate in the Warm-Up before the Pre-Final. If qualified drivers cannot race in the Pre-Final replacement drivers will be invited to join the Pre-Final at the back of the grid.

27. Qualifying Procedures

ASN Canadian Karting Regulations Book 1, Regulation 11.3. Qualifying for a Race.

For qualifying sessions, drivers will enter the track from pre-grid only on a first-come, first-served basis. Drivers must exit the track only through the designated weighing area.

A driver may not leave the track and enter the pits, paddock or grid and return during a qualifying session.

If a driver stops for any reason during a qualifying session the driver will be allowed one attempt to try and start again with or without assistance from race officials. A driver may not receive assistance from anyone other than an official of the event.

Supplementary Regulations – Version 2.4 June 11, 2018

After qualifying is complete the driver that is awarded 1st place **MUST** give the tech inspectors the information required about kart setup to post on bulletin board. Failure to do so will result in disqualification.

28. Transponders

Each kart must be equipped with a transponder mounting bracket. The Event Organizer will not have transponders for rent. Neither the Event Organizer nor the Officials are responsible for any transponder failure during the event. Drivers must register their transponder number, on the entry form or at the latest the time of the onsite event registration. Transponders are required from the **FIRST** practice through the entire event. It is the driver's responsibility to make sure the transponder is picking up on the timing.

29. Paint Sealing of Engines (Briggs Classes Only)

All engines will be paint sealed before or after qualifying. It is the driver's responsibility to ensure that their engine has been paint sealed before leaving the tech area after qualifying.

30. Re-starting Karts

ASN Canadian Karting Regulations Book 1, Regulations 11.1 Re-starting Karts.

31. Race Starts

ASN Canadian Karting Regulations Book 1, Regulation 10.5.

Race Starts – Rolling Start with Marked Lanes.

Please note that a lighting system will be in use for race starts.

32. Procedure at the End of a Qualifying Session or Race

ASN Canadian Karting Regulations Book 1, Regulation 11.7.

Procedure at The End of a Qualifying Session or Race.

POST-RACE TECHNICAL INSPECTION. If requested by the Technical Officials, participants will proceed to the Parc Fermé and remain there until released by Technical Officials.

33. Procedure at the End of Finals

ASN Canadian Karting Regulations Book 2, Regulation 6.

POST-RACE TECHNICAL INSPECTION. The top five (5) finishers in each Final race in each class will proceed to the Parc Fermé and remain there until released by Technical Officials.

Supplementary Regulations – Version 2.4 June 11, 2018

34. Official Notice Board

The Official Notice Board is located adjacent to the entrance to the pre-grid area.

35. Fuel

Spec fuel for the Event will be available at Co-op Gas Station in Martinsville taken from Pump 16 for all classes, except Shifter.

Co-op Gas Station

200 Centennial Drive North

Any non-oxygenated race fuel will be allowed for the shifter class. Due to the different octane requirements of the Shifters, drivers must provide their own fuel. Recommend VP, Fury, etc. Must be gasoline and 2-cycle oil (of driver's choosing). No additives, etc.

36. Podium Ceremonies

Award winners must be present at the podium ceremony wearing their racing suits, closed and zipped, and bring their helmet. Event sponsor caps must be worn if requested by the Event Organizers. If a driver is unable to attend the podium ceremony for a good reason, he must inform the Steward before the ceremony. Failure to respect this procedure exposes the competitor to potential penalty.

37. Pre-Event Practice

The track will be closed to all on-track activities from Monday July 2, 2018 to Thursday July 5, 2018 prior to the Event.

Supplementary Regulations – Version 2.4 June 11, 2018
