PARKING ADVISORY:

Parking on this course is limited. Please respect marked parking areas and understand that it is VITALLY important that we keep free lanes to move emergency vehicles in or out of the course. This is important for the safety of drivers, course workers and spectators and is a requirement of the Department of Transportation of NC and the Park Forestry Commission. They can stop the event if they see a problem.

Your trailer, vehicle, tow vehicle and equipment must be COMPLETELY outside the white lines on the side of the road. Please honor the Forest Law Enforcement Services request as this is a requirement for use of the site. Consider it a blend line... don't violate it.

The road we are racing on is a 4.2 mile dead end road. The spectator parking will be on the side of the road for the first mile. Our drivers/entrants will be parking their vehicles on the side of the road beginning at the gravel area close to the pit area (100 yards from the start gate.) First come, first serve on spaces. Open Trailers will be stored in a gravel parking area where spectator parking ends and shuttle buses pick up spectators. We realize the parking is not ideal and we will work together, share tents and space to make it work. Event managers will work with park and community to improve paddock and parking. Thank you for cooperation and working through this minor obstacle in return for a great event site.

Overnight camping is not allowed in the paddock or on the event road. Rattlers Ford campground is located just outside the entrance.

MANDATORY DRIVER'S MEETING: You must attend the driver's meetings (Start Line). If you run late and are not able to make the driver's meeting, you will be required to see the Chief Steward or Event

Chair before being allowed to compete. Refunds WILL NOT be issued to drivers who miss the driver's meeting and refuse to meet with the Chief Steward or Event Chair. Track time/runs for late drivers WILL NOT be made up.

FUEL is not available at the site and limited within 12 miles of course... BYOG (Bring your own gas.) **You will be required to have an extinguisher (10 lb. ABC) with you at any time gas is being poured (whether from container to container or container to tank. This is a park REQUIREMENT and grounds for being ejected from the event without warning or second chance.**

CONCESSIONS: Vendors will be on site for food. Lunch is provided for event staff.

WAIVERS: It will be mandatory to sign a waiver / minor waiver, and wear a wrist band. Annual SCCA waivers will be accepted.

TECH: Tech will be conducted in locations defined in the schedule.

LOG BOOKS: All cars will need an SCCA Log Book - either Road Race or Time Trial. If you need a TT log book, make arrangements before the event if possible to avoid delays in registration. Contact Steve Eckerich on logbook at seckerich@stampcometal.com If you have an annual inspection stamp in your logbook please bring it to registration.

SAFETY REQUIREMENTS: All driver and vehicle safety equipment must meet current GCR and HCR specifications. Driver's head/helmet must **NOT** protrude above the vehicle roll cage, (**Roll Bar, HC Minimum Requirement**) or roll hoop during any part of the competition. Cars must be re-inspected by the Chief of Tech if involved in an incident or if the vehicle is reported as leaking any fluids. All entrants must have a vehicle log book complete with pictures and log book number. Please fill in the date and event name prior to visiting tech. If you will be presenting a new car to tech for its annual inspection, or if you have tech questions, please contact the Chief of Tech as soon as possible. Arm restraints are required on all open cars. **Please note that seat belt expiration date has been dropped for TT. Belts must be in good condition.**

HELMETS: All helmets must be **SA2015** or **SA2020**. **RUNS:**

We will try to give as many runs per day as possible. Actual count depends on how many participants and event flow. We will do our best to get you as many runs as possible. You do your best to not holdup the event. While event management will do all we can to notify drivers, it is the driver's responsibility to know when his/her group is on call.

TIMING: DO NOT bother the people in the timing trailer! We will have a digital timing system for everyone to see their times. There will only be one set of official results, and they will be on a computer print out. We will try to make copies available. In the case of an obviously incorrect time, officials will take corrective action.

INSURANCE: Participant insurance will be provided in the amount required by SCCA.

PADDOCK: Event paddock parking is under the direction of the paddock or event officials. If your car is brought in on an open trailer, you will be provided space on side of the road for a support vehicle and your race car (tent, etc.) Open Trailers must be stored at the lower gravel parking lot just above spectator parking area after car has been unloaded. If your car is brought in on an enclosed trailer, you will be provided a space on the side of the road for one support vehicle (tow vehicle) or your closed trailer and your race car. (All on the grass). You will not be able to park a race car or place an awning on the pavement beside your trailer as this will restrict the main road. You may park it behind the trailer and use cover if you wish. **When you first enter the paddock section of our hill, you will drive up to gravel start/spectator area, you will turn around and drive back down to unload and proceed to the trailer parking area. This will allow less congestion when you are ready to leave.** A pit and paddock speed

limit of 5 mph will be strictly enforced as spectators will be in the area. **If a car/driver is seen going faster than that or burning rubber in the paddock, it will result in disqualification.** Procedures for entering and exiting the course will be detailed in the mandatory driver's meeting. Anyone driving a wheeled vehicle in the paddock must have a valid state driver's license. Competitors are responsible for behavior of their crew and guests. Pets must be on leashes at all times and are not allowed at Spectator Area #2 or #3. Children must be under an adult's supervision at all times. **NOTE: RULE FROM PARK MANAGEMENT; NO ATVs, 4 wheelers, minibikes without state registration and tag to be used in the paddock area roadway.**

EMERGENCY LANES must be clear at all times for emergency traffic.

INTOXICANTS: In respect to our hosts, NO ALCOHOL may be consumed at the event site. This is a National Park. Use of intoxicants at any time while on the event site grounds is strictly prohibited. Anyone found to be using intoxicants during the event, or illegal drugs at any time while on the property, will be ejected from the property and forfeit their weekend. Drivers are responsible for their crew and guests.

GENERAL RULES: There will be no sound limit for the event but we do expect restraint in high revving of engines in paddock for the sake of our spectators. Do not dump oil, gas or coolant on the pavement or non-paved areas of the track. **No** Fluid recycling facilities are available, so please take it home with you. No Race engines to be run during Sunday lunch break or before 7:00am and after each event day beyond 7:00pm. An entrant may elect to waive SEDIV Time Trial Series points by checking the appropriate box on the entry form. Passengers are NOT permitted in any racing vehicle other than rally navigators – this includes coming down the mountain on return parade lap.

RULES OF THE EVENT: The requirements of conduct and sportsmanlike behavior, as defined in the GCR, will be strictly enforced. The penalty for a breach of these rules may include immediate expulsion from the event and/or a permanent ban from the event. All participants, crew, officials, workers and guests: will adhere to all applicable city, county, state and federal laws and regulations; will follow all rules and regulations defined herein or posted at the event; and shall not engage in any illegal, immoral or unsafe activities or business while on the event premises. Failure to abide by these rules may result in immediate expulsion from the event premises by any event official or the organizing region.

RAIN OR SHINE – Event Chair and Chief Steward will make a call if the weather is too inhospitable for racecars or workers and may need to delay or stop runs until a time that it is deemed safe. **No refunds for bad weather.**

ADDITIONAL NOTES:

1. We need workers to run the event. If you know anyone that would want to help, please let us know.
2. We need to show the workers our appreciation and would welcome any perks you can think of to give them or would like to donate for them. Please contact: Chris Polohumus if you would like to donate anything for workers.
3. Weather can vary greatly by the hour. Please bring appropriate clothing and supplies. You are responsible for any tents or canopies erected.
4. This event is sanctioned by Central Carolinas Region – SCCA.
5. **Trophies will not be mailed so please attend awards presentation, or make arrangements to have someone pick yours up. We would like to recognize our winners before the course workers and spectators who came out to watch.**
