

TOYS, TOYS, TOYS!

Use your observation skills and determine the number of cat toys & toy cars, combined, in a sealed, mostly transparent (cat) Box. The toys are of various types, shapes, colors and sizes. \$1 per guess; closest guess to the actual number of toys wins half of guess money, the other half donated to Sheboygan County Humane Society. Donations also accepted.

Come see the toy-stuffed box at the trophies area on Saturday until about 5, then we'll move to near the beverages outside the Road America Center until about 6:45. Winner announced at 7 PM. Donations will continue to be accepted on Sunday, and total dollars collected will be announced during the Sunday lunch break. Thank you for considering a donation, at Road America, to the track-local humane Society. And, keep your eyes open for that bloodshot blur with fur, Brian Redman's cat!
