### CERTIFICATION

I hereby certify that I have personally performed the inspections and completed the above Technical Inspection and Equipment Checklist. I have found, or corrected, each item to be in compliance with applicable standards. I further certify that I have read and understand all rules and regulations relating to this event and agree to abide with. I understand that completion of these checklists is a minimum requirement of the event, but in no way assures the safety of my vehicle and that the preparation of my vehicle is the responsibility of myself and/or the driver/owner. I further understand that the ruling of the NWAA Event Chair, in regards to participation in this event, will be final.
