

2018 WCKC Engine Lease Competitor Information

Hi Racers. Thank you for competing for a Grand Finals Rotax ticket in the 2018 Western Canadian Karting Championship. Please see the Rotax Engine Lease Lottery information below relevant to each race weekend of the WCKC. To start each weekend off, the following will take place for the Grand Finals Competitor.

- Competitor will draw via lottery raffle for their respective Rotax engine the Thursday afternoon/evening of the event.
- Competitor will use that motor for that entire race weekend for Grand Final Ticket competition only. Subsequent WCKC events will do another lottery.
- The following is what's included with the Rotax Lottery engine lease.
 - **One 2017/2018 Rotax Sealed Engine Block** with senior power valve if applicable, carb and air box including filter for the entire 3-day event.
 - Lottery engine rental cost is \$350 for Mini and Junior or \$375 for Senior. This price **REQUIRES** the commitment to rent of the lottery engine for **ALL THREE** rounds of the WCKC.
 - **Please note: ****A signed agreement at the beginning of the first round will reserve a lease motor use for the entire championship and authorize credit card lease payments to be made on June 1, 2018 and and July 15, 2018**** .**
 - Single event **no-commitment** Engine entry cost is \$650 per weekend event which includes everything except the motor mount.
 - For engine Lottery initial first round payment, please go to: [WesternCanadianKartingChampionship OnlineStore](#). All the engines are available on a first reserve/first payment basis. Lease engine payment deadline is **April 1, 2018** for the Calgary event.

VERY IMPORTANT INFORMATION

PLEASE READ!!!

The competitor needs to supply the following consumable parts for their lottery engine. All of the competitor's own parts need to meet 2018 RMC Canada Technical and Sporting regulations as well as the WCKC supp regs for the specific event.

- For the 350\$/375\$ Lease engine, you must supply the Rotax Clutch drum, Rotax clutch drum gear, Spark Plug, Battery, Throttle Cable, Motor mount, Exhaust Pipe, Complete Wiring Harness with battery box, proper ECU and solenoid, jets for tuning, motor mount for the chassis and any hardware needed for securing engine and associated parts to the kart.
- For the 650\$ no-commitment Lease engine, you must supply your own motor mount. Everything else is included.

Any inquiries about the lottery engines should be forwarded to wckcteam@gmail.com. A WCKC representative will answer all the inquiries promptly and in the order they are received.

Thank you,

WCKC Team
