

SPEED CLUB TRACK DAYS

MOTORSPORT RANCH...3.1 Circuit

Speed Club Track Days return to Motorsport Ranch on Monday October 4th

Utilizing the longest and most challenging 3.1 mile layout at Motorsport Ranch.

Due to our lower car count limits we are able once again be running an "open pit lane" format, where drivers can run the majority of each hour on their own volition.

As usual our top professional coaches will be on hand for advice and instructional classroom sessions

Monday October 4th

Check-in 8:00AM • Classroom 8.30am • Track sessions 9am-1pm.

Registration fee includes track time & professional instruction.

Price \$495.00

As always, our on-site tech team is happy to offer pre & post event prep on your car. Call Greg Kraft for prep details. Registrations are limited to assure social distancing, plenty of room on track and personalized instruction from your Speed Club coaches.
