

### NOLA Track Day for WRL Participants Rules 9/28/18

- A NOLA run event – not associated with the WRL
- Cost is \$250.00 per car (no half-day pricing). All drivers attached to car can participate at no additional cost but they must be listed as attached to the car – if a person is not listed as attached to the car, they will not be issued a driver wristband to get on track.
- Only WRL race cars can be entered and driven on track. All driver safety gear must be worn when on track (treated like a typical race practice session).
- No passengers, coaches, or ride-alongs.
- ALL drivers must be at least 18 years of age.
- Event will run wet or dry.
- Track will be hot from 9am-12pm and 1pm-4pm. No run groups. Open track. Can enter and exit track as often as you like during these times.
- Standard flagging rules will apply.
- Hot tows will be done to reduce track down time. An EV flag (white flag with red cross) will be displayed at start/finish when the rescue vehicle is on track. The rescue vehicle will be followed around the track with an EV flag at each corresponding flag station. If a disabled vehicle is in an unsafe place, the track will be emptied of vehicles by a black-flag all condition.
- If a vehicle makes contact with any barrier or other vehicle while on track, that vehicle will not be allowed back out on track for the rest of the day – that car and team are DONE.
- Hot Pits will be CLOSED for this event. Driver changes, tire temps, refueling, repairs, etc... will be done in the paddock only.
- There will be one gate for track entry only (down by grid) and one gate for track exit only (near covered pit).
- Paddock speed is 10mph.
- NOLA sells 87, 93, diesel, and 98 race gas at the pumps. Credit card only.
- Announcements will be made over the PA and on 96.7 FM.
- Registration/Check-in will be open from 3pm-6pm Thursday and 7am-1pm Friday at the registration office located next to the security booth (behind the flagpoles). Run sticker will be issued here when a completed tech sheet is turned in. **ALL DRIVERS MUST CHECK-IN AT REGISTRATION TO SIGN WAIVER AND RECEIVE DRIVER WRISTBAND.**
- Stay safe and have fun!
